Cabinets: Is this Cash and Carry _____ Installed _____

When do you plan on beginning this project? _____ What is your Room Budget? _____

Appliance/Fixture Information

On your design mark the desired locations of items such as appliances, mirrors, medicine cabinets, etc. It is very important to know locations of: 220 volt outlets, any wall mounted telephone locations (T) and cable TV locations (CTV), plumbing, or any other obstacle that could interfere with placement items.

	Type	Size W x D x H	Hinge Position L/R
Refrigerator			
Range			
Cook top			
Exhaust Hood			
Wall Oven			
Microwave			
Dishwasher			
Sink			
Other			

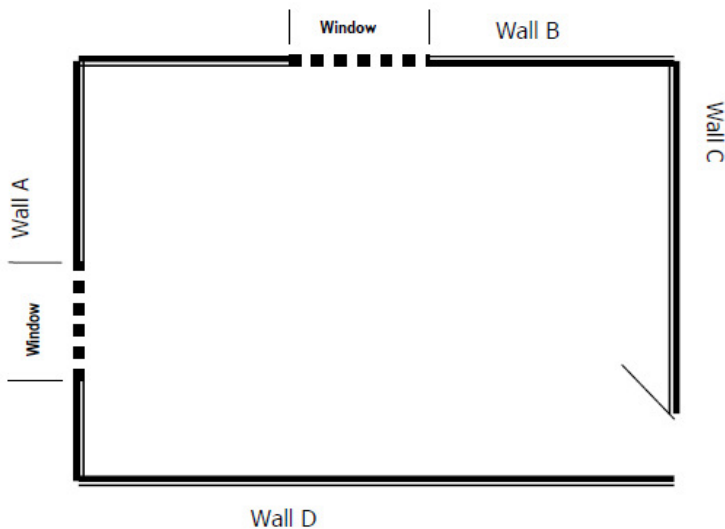

Once you complete the guide, its time for *A Granite and Marble Superstore* to do our thing. We will take your measurements and design a 3D color rendering illustrating what your room will look like We will return to you your 3D design, list of Cabinets and Quote.

Supplies needed to begin: Tape Measure, pencil, and the Graph Paper printed from this guide.

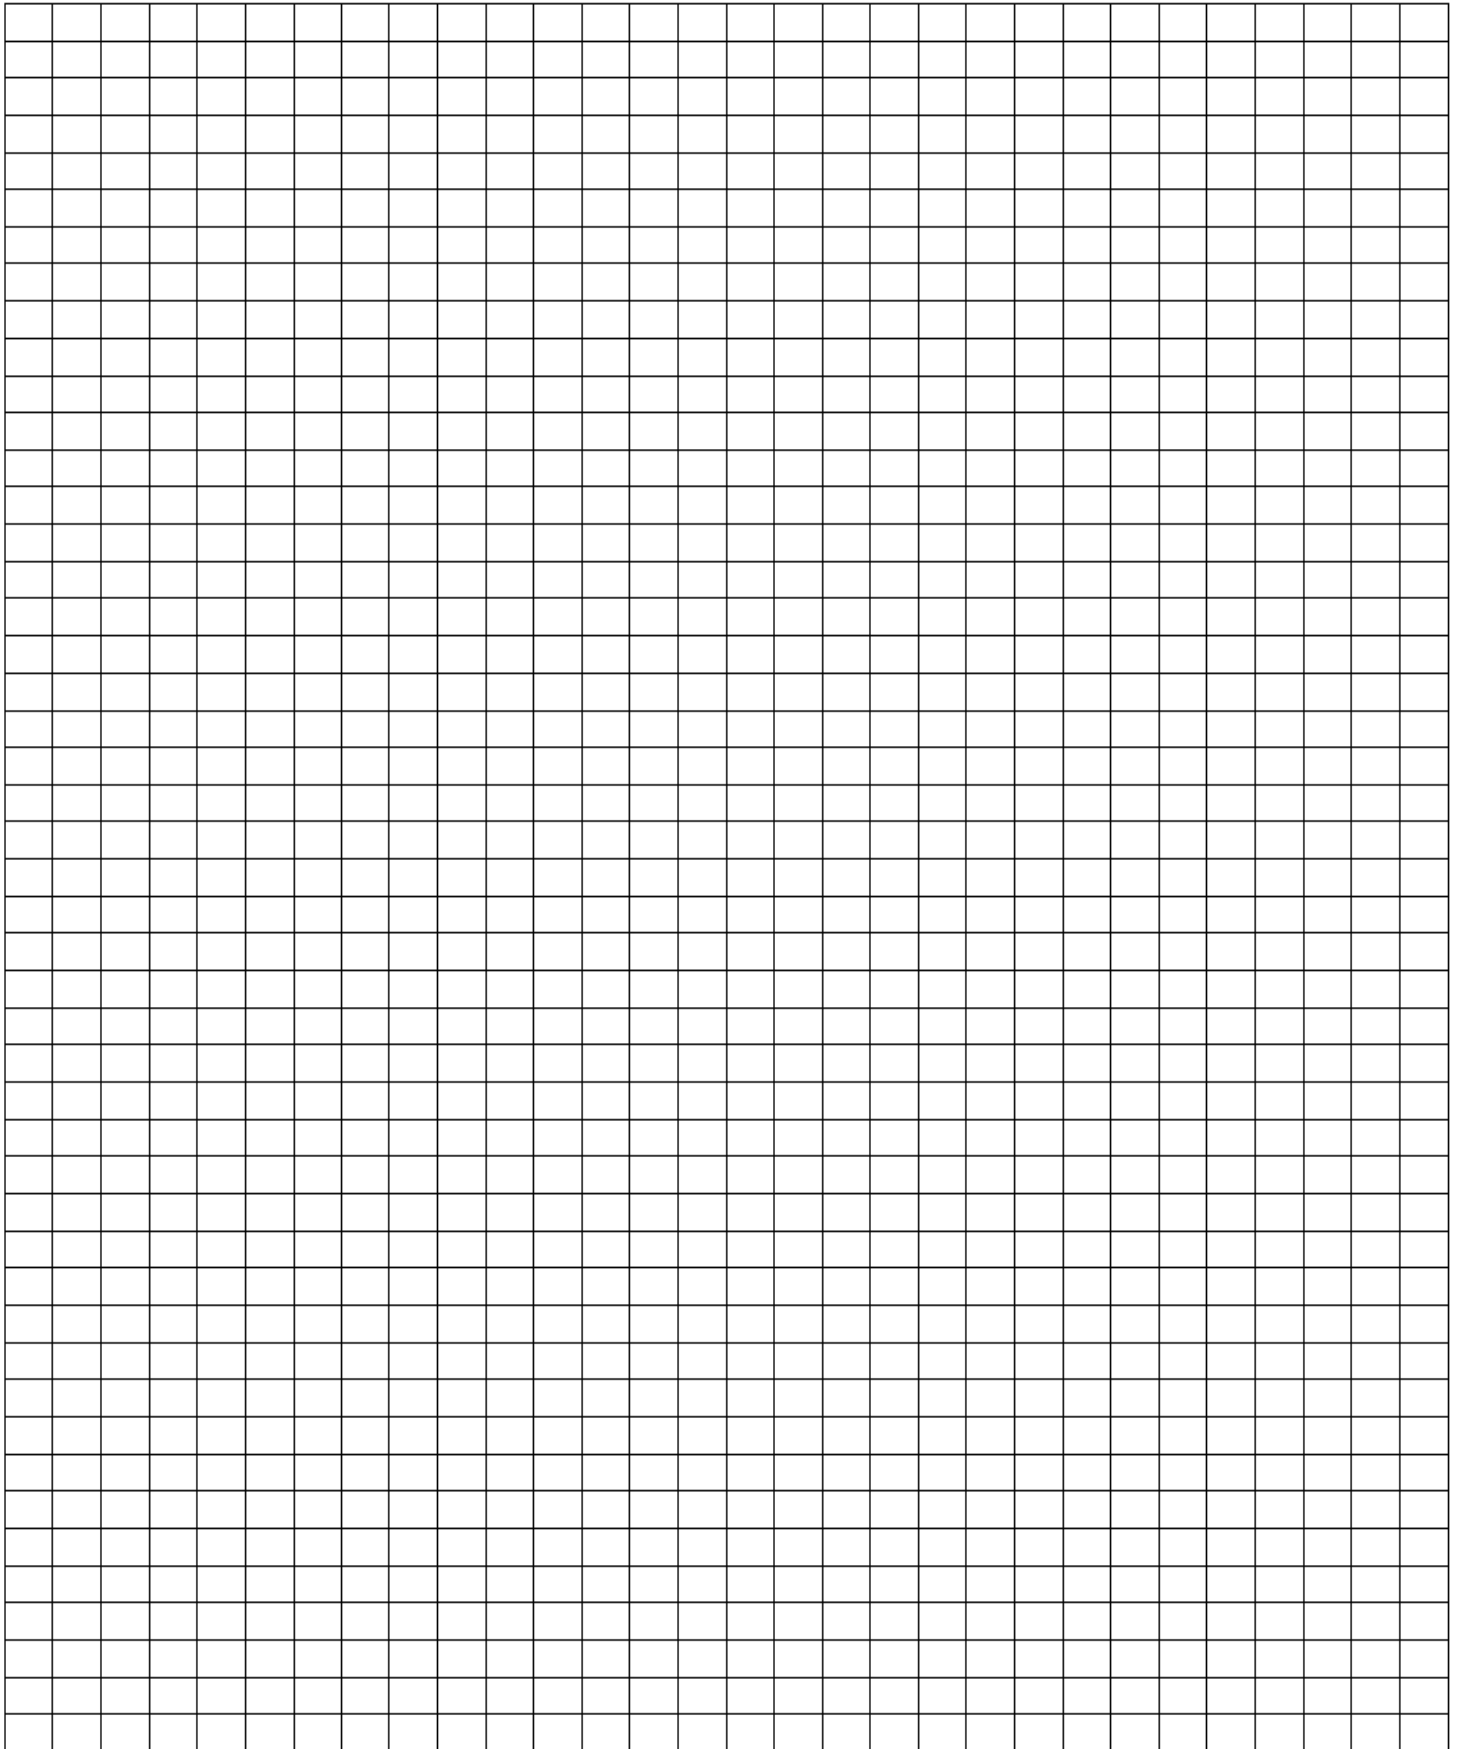

Measure in inches only, mark all fixtures and utilities, electrical outlets and switches. Mark location and sizes of windows and doors and locations of existing appliances.

****Do not forget to mark your ceiling height.

EXAMPLE FLOOR PLAN

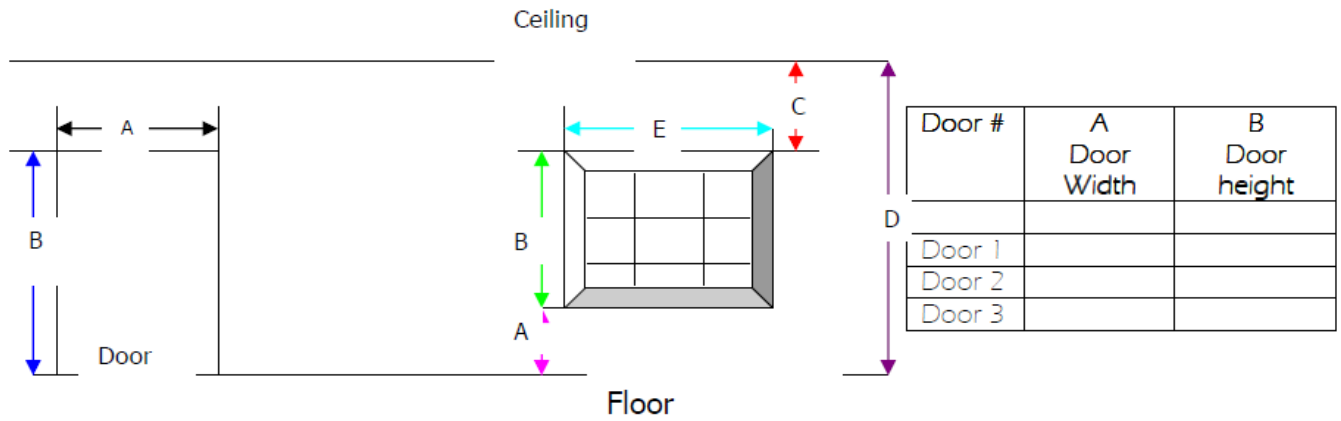

Wall	Measurement
Wall A	
Wall B	
Wall C	
Wall D
