

April 2017 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Check out our new "Did You Know" corner at bottom of this newsletter each month we will update with new "Did You Know" information

Dear Emmaus and Chrysalis Community,

As April comes to an end, we reflect on our Spring Flight and Walks. We were very blessed with the walks being near full capacity for Caterpillars and Pilgrims. God showed up on the mountain, and everyone there surely felt his presence. On behalf of our community, I would like to thank the Spring Lay Directors for the Flight and Walks as they did an outstanding job. It was obvious they spent a lot of time and prayer in preparation for these walks. I would like to thank the community for supporting our Caterpillars and Pilgrims by showing up to Candlelight and Closing. We had record numbers showing their support this Spring. We welcome these new Butterflies and Pilgrims into our Emmaus and Chrysalis Community.

We have also had an increase in our T-Shirt sales. We are looking to update the design. We would like to hear from the community. If you have an idea for a design, please email the CLD, Scott Neal, at sneal@canhelpinc.com by May 13th. We will then send out a ballot through one call for the community to vote upon. Prices are as follows: T-shirts sizes S-L are \$10, add \$1 for each X through 4X. Long sleeves are \$12 sizes S-L, and add \$1 for every X. Sweatshirts sizes S-L are \$15, adding \$1 for every X. We now have hoodies for \$20 sizes S-L, and adding \$1 for every X. Shirts can be purchased at every gathering.

Team selection for the upcoming fall walks will be happening this month. Please turn in your application if you are interested in working. Butterflies and Pilgrims can find an application inside their packet they received before they went home. Applications can also be found on our website. Please be in prayer about who you could sponsor. Also, be in prayer for the flight and walks. The Chrysalis Fall Lay Directors are Donald Galito and Karen Jackson. Those dates are September 2nd-4th. The Men's Lay Director is Tommy Burton with dates September 7th-10th. Betty Carter will be the Women's Lay Director with dates September 14th-17th. Friendly reminder, dues will be increasing in the fall to \$90 for both worker and sponsors. However, Chrysalis Flights are the only ones that require a background check. You can use background checks completed through your home church or work. Or, the community has agreed to pay for those if necessary to help with costs. Men and women's walks do not require background checks due to no one under the age of 18 working a walk.

The Southeast Region Emmaus/Chrysalis Leadership Training Development will be August 18th-19th in Campbellsville, KY. For more information please go to www.seemmauschrysalis.com. You can register for this training on this website. This training is required for new board members who have not already attended a training. Also, clergy are required to take their Clergy training. You are only permitted to work one walk/flight before having the training.

The May gathering will be held at Potters Place Church in Somerset, KY on May 13th. Board Meeting to begin at 4:30, meal at 6:00 and Service at 7:00est. Hope to see you all there!

Decolores,
