

May 2017 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Check out our new "Did You Know" corner at bottom of this newsletter each month we will update with new "Did You Know" information

Greetings Lake Cumberland Emmaus and Chrysalis Community,

We had a wonderful gathering this month at Potter's Place Church in Somerset, KY. The worship service was amazing and Jason Davis gave a heartfelt 4th Day talk. Thank you, community, for an offering of 236.76.

During the board meeting, Greg Kinney the treasurer, gave a very detailed financial account. Unfortunately, even with all workers and pilgrims paying fees, we still finished the flight/walks with an outstanding -923.90 balance. That's why we had to increase team fees and pilgrim fees to \$90 starting in the fall. Our monthly offerings at gatherings and candlelight and any other monetary donations throughout the year have been enough to keep our community out of the red. We know God will always provide through His people. We discussed at the gathering the importance of always paying your team fees and for any pilgrims you feel led to sponsor. Currently, Mark Coots, the Registrar, has a list of workers who have paid, but were unable to work. We are not counting this money in the general fund balance. However, it is sitting in the community's account. We would like for anyone who has paid worker fees but didn't work to ask for your money back by December 31st of this year. Starting January 1, 2018, this leftover money will be absorbed into the general fund. For record keeping purposes of both the treasurer and registrar, we feel this would be most convenient. If you don't want your money back, please just let Mark Coots or Greg Kinney know to go ahead and absorb into the general fund. The board also discussed purchasing a building for storage on the mountain. This building would mostly be used for Prayer Chapel storage. There's a lot of campers during the summer, and it's hard to find places there to store Emmaus/Chrysalis items without it being in Mark's way during his busy summer months.

Team selection for the fall walks will be happening May 22nd. If you had wanted to work, but did not get your application in on time, please go ahead and send that in. You could be contacted as a back-up for the fall walks or put on a team for spring walks. Please be much in prayer for the fall walks. Lay Directors, Clergy, Coordinators, Workers and Pilgrims should all be lifted up in prayer. If you'd like to make Agape for any of the walks, please make enough for 75. You can bring that Agape to a gathering or contact Board Chairs for Agape: Tracy Pierce for Chrysalis or April Anderson for Emmaus. Their contact information can be found on the website.

Blessings,

Scott Neal
Community LD

UPCOMING Gathering:

June

Monticello Church of the Nazarene

Board Meeting 4:30 EST

Gathering 6:00

Service 7:00

*Services always begin at local times (be aware of time zones)
