

September 2017

Dear Emmaus and Chrysalis Community,

I would like to thank James Town Christian Church for opening up their church to host the team dedication gathering we had a great service. We were blessed in song by Beverly Brockman and Billy Flatt.

Remember there will not be a gathering in September as we will be on the mountain. Please continue to pray for the upcoming walks and flights. During the board meeting we talked about how the numbers were down for the Men's walk (12) and the Chrysalis flight (Girls (7) Boy's (3). However, our God is amazing and now we have (Girls (11) Boy's (12) and Men (15) with more girls coming. During the board meeting, we unanimously agreed to cancel the July gatherings due to low attendance this year and in years past.

We would like to announce that the spring walks and flights Weekend Lay Directors have been chosen. Mark Coots (Men's) Carolyn Burton (women's) and Chrysalis flights (Julie Stockton and Adam Britt). Please began to life the Spring Lay Directors up in prayer as we began to start preparing for these walks and flights.

Board nomination time is now. Please be in prayer for God to stir in the hearts of the faithful and send candidates to be voted on as board members. If you have someone on your heart, please talk to this person about being a board member.

If they are interested then please get their name to any of the following board members Greg Kinney, Genetta Kinney, Mark Coots, Kelly Coots, Sheila Huff, Cyndi Neal, Betty Chesney, Ray Chesney, April Anderson, Betty Carter, Stacy Huff (Team selection chair), Carla Upchurch, Michael Upchurch, Tammie Dozier, Cherie Dick or Myself.

If you haven't signed the prayer charts please do that as soon as you can and remember they are online as well. This past spring candle lights were very well attended. It was so awesome to witness the love this community poured out onto those pilgrims by worshipping, praying and holding your candle and singing.

Please make plans to attend candle lights. Remember Chrysalis candle light will fall on Sunday night this time (due to fall flight being during Labor Day weekend.) Hope to see you soon!

Decolores,
Scott Neal
