

August 2017 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Check out our new "Did You Know" corner at bottom of this newsletter each month we will update with new "Did You Know" information

Dear Emmaus and Chrysalis Community,

I would like to say thank you to Heather Brown and the Chrysalis community for an outstanding job and for a gathering well done. You guys really blessed us with an outstanding 4th day speaker, wonderful worship and drama. I could really feel the Holy Spirit moving throughout the entire service.

During the board meeting, we discussed cancelling the July gathering due to low attendance. There are so many vacations and mission trips scheduled in July, attendance has been low for years at July gatherings. We just had enough board members to have the monthly meeting.

The walks and flights are coming together. There are a couple of spots yet to fill on the men's walk. The women's walk has all workers in place and Chrysalis was waiting on a call back to fill the Agape coordinator position. Please be in much prayer for the Weekend Lay directors, that God will guide them and bless them as only He can. Also, be praying that God will open the hearts and minds of the pilgrims and caterpillars. We hope to see all team members at Jamestown Christian Church on 8/12/2017 for our team dedication.

The women's pilgrim list is full. We are still needing pilgrims for the Men's walk and Caterpillars for Chrysalis. Please pray about who God is calling you to sponsor. You can find new applications on our website.

Decolores,
Scott Neal
