

October 2017

Greetings Lake Cumberland Emmaus and Chrysalis Community,

I would just like to say God showed up for the flight #50 and the 128 (Women's) 117 (Men's) walk's. All I can is WOW!!! What a blessing to see God work though (Tommy Burton, Betty Carter, Donald Galito and Karen Jackson). I would also like to thank all of the community that showed up and took place in any of the fourth day events. It's amazing to see our community show to support the caterpillars and pilgrims. So, let's start praying for the Spring flight and walks. Mark Coot's and Carolyn Burton will be the weekend lay directors for the men's and women's walk. Julie Stockton and Adam Britt will be the weekend lay directors for the flight. Please began to pray for the person God would have you sponsor because God already knows who he wants on the mountain. Just pray he will lay them on our hearts so we can be part of the blessings he has in store for them. I want to say I am so proud of our community and that God has allowed me to be a part of a community that seeks God's face in all we do. In the upcoming board meeting we will be putting out the nominees for the new board members. If God has laid anyone on your heart or is maybe tugging at your heart to run for the board please call me (Scott Neal) (606) 307-8609 or email me at sneal@canhelpinc.com to give me your name. There will be 5 new positions available to take their seats on the board in January.

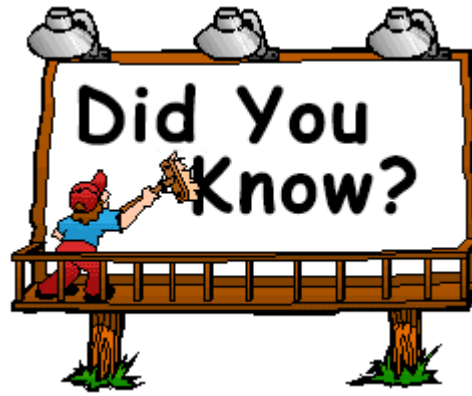

Decolores,
Scott Neal
