

May 2018 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Dear Emmaus & Chrysalis Community,

WOW!! We truly serve an amazing God!!!!

The presence of the Lord was felt in a mighty way on the mountain these past few weeks. What a privilege we have to be able to work, serve, and watch God work! On behalf of the Lake Cumberland Emmaus/Chrysalis Community we want to welcome all of the new Butterflies and Pilgrims. I want to encourage you to keep the fire burning and let your light shine. "Christ is counting on you" and we need every member of this community to be active in some way. It does truly get better when we continue to serve, because we get to see the power of God work and transform lives. We want to send a special thank you to Mr. Adam Britt, Mrs. Julie Stockton, Mr. Mark Coots, and Mrs. Carolyn Burton for preparing the spring walks, it takes a lot of work to get these together and we appreciate the fantastic job you did.

Habakkuk 2:1-3 "I will stand my watch and set myself on the rampart, and watch to see what He will say to me, and what I will answer when I am corrected. Then the Lord answered me and said: "Write the vision and make it plain on tablets, that he may run who reads it." For the vision is yet for an appointed time, but at the end it will speak, and it will not lie. Though it tarries, wait for it; because it will surely come, it will not tarry." Pray and ask the Lord where he wants you to serve and what he needs you to do. Listen for His voice and let him tell you. The Team Selection members will be meeting in May to put together the fall teams. If you are interested in working please fill out your application and get those sent in to Stacy Huff.
