

## August 2018 Lake Cumberland Emmaus and Chrysalis Community Newsletter

Dear Emmaus & Chrysalis Community,

The flights and walks are fast approaching and meetings will begin soon. Please be in prayer for the flights and walks that will take place in September. The most important thing we can do is PRAY and let the Lord work. The Lord will continue to sift and put on the mountain each and every person that is supposed to be there – workers and pilgrims.

We want to send up special prayers for Joel Catron, who had to step down as men's lay director due to heart issues. A special thanks to Joel for the work that has already been done, and thanks to Rodney Nokes for accepting the call to step in and lead this men's walk. We also want to pray for Angela Gregory (women's lay director), Kenny Massengale, Chloe Lawson (Chrysalis lay directors), and all pilgrims. Make plans to attend the meetings and be ready to go to the mountain. If you are unsure of the meeting dates, they can be found on the Lake Cumberland Emmaus website.

Our next gathering and team dedication will be held August 11, 2018 at Kelleyville Community Church in Columbia, KY. We hope to see all members of our Emmaus Community there. This is a time for us to come together to pray over all the teams and worship the Lord. The board meets at 4:30 CST, our meal is at 6:00 CST, and the service will begin at 7:00 CST.

The Old Covenant called Israel to live distinctly from the nations through holiness, focusing primarily on the external matters of the Law. However, Jesus calls His people to a holiness that proceeds from the heart. Recognize that your life has either a positive or negative effect on others. Live responsibly to bring glory to God. Matthew 5:13-16 says, "You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men. "You are the light of the world. A city that is set on a hill cannot be hidden." "Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house." "Let your light so shine before men, that they may see your good works and glorify your father in heaven." Does your life reflect that of God? Would he be pleased with you? Distance from God is not because he moved; it is because we choose not to walk close to him. He is always there gently drawing us to him. Do you heed that still small voice and obey him or do you choose to do what you want? He love us! Jeremiah 29:13 says, "If you seek me you will find me if you seek me with your whole heart."

The Emmaus tool works!!! The Lord does the drawing and it is left up to every pilgrim and worker to follow his leading or go our own way. We have the perfect example to follow and that is Jesus....the rest is up to us.

Decolores,  
Sheila Huff
