

1 John Chapter Three

Read verses 1-3. Why is it important to share the Gospel message with others who do not know Jesus? _____

Read verses 4-10. People who have not heard the gospel message may know they are "a child of a god" but what does "born into God's family" mean? _____

Read verses 11-20. We are commanded to love one another, what advise does John give in verse 18? _____

Does what John wrote compare to Jesus' example (see verse 12)? _____

To John, lack of love is the same as hatred; and hatred is the moral equivalent of murder. Deliberate sin also grieves God's people (vv. 16-24) because we cannot minister to them as we should if we are not walking in love and in the light. Strive to have a heart that is right before God and men (Acts 24:16). Ask God to use you to be an encouragement and help to others (James 2). Love is more than a matter of words (v. 18).
