

## Who are the Jerry and Bonnie Wallace?

Jerry got a start using his art talent at a young age when his mother called upon him to illustrate stories in her Good News Bible Club held in her kitchen. Then through the influence of a Sunday School teacher and the dramatic conversion of his alcoholic father, Jerry came to the Lord.

After working as a draftsman, he attended Bible College. It is his desire to share the simple gospel so that even the youngest child can understand. Jerry's art talent can also be seen on the walls of many churches in large scale custom wall murals.

Bonnie came to the Lord as a child at a Vacation Bible School and for several years she traveled coast to coast and sang with her Gospel singing family, the Singing Edwards. During these years, she developed her gifts of song writing and her love for making and recording music. Bonnie also attended Bible School. Along with being the musical part of the program with Jerry, she has been called upon to lead worship and sing at many different functions, from festival, fairs, woman's meetings and senior's homes. She has also taught seminars on leading children in worship. Bonnie home schooled their 6 children for 13 years.

"And He Himself gave some to be... evangelists for the equipping of the saints for the work of the ministry, for the edifying of the body of Christ," Ephesians: 4: 11,12
