### OPHC Yearend Awards

OPHC year end awards are provided by sponsors and not OPHC, that the individual exhibitor obtains for themselves by asking businesses or individuals within or outside of their community for funds to purchase their awards. OPHC does not require their participants to work hours for their awards, because of this ruling. Pick up a sponsor sheet from the show secretary. OPHC is a nonprofit club that keeps its entry fees minimum by having exhibitors seek out sponsors instead of adding the cost of awards to exhibitor entry fees. Make your declaration for what awards you will be competing for on the Declaration form by the May Show for your points to be counted.
