

Love is in the Air

The Universe's Source Energy surrounds us in Love. Everywhere and at all times Love is in the air. Feel the air around you. It constantly expresses Love that can be tapped into. Let it engulf you. Draw on it. Love has astounding potential energy to

manifest the life you want. It gives you the strength to withstand and the courage to forge ahead.

It doesn't matter whether you think I'm thinking foolishly; or whether you think this is an extremely wise and deep thought. I believe in this wholeheartedly and it is something I just know to be true whenever I "look" deep into the "eye" of Source Energy. Think of the times you have walked in a forest, hearing the leaves on the ground crackle underneath your feet and the leaves still on their branches amplifying the air sounds gently talking to you. Source Energy is there and here, inside you. Listen. Maybe you recall a time walking along an ocean beach, hearing the gentle nudging of the surf or the roaring declarations of the ocean waves. Source Energy is there and here, inside you. Listen.

I'm not dreaming and I am quite sane. If you really listen you can hear the Universe speak to you. It constantly tells you how much Love there is for you and for every being and everything else in our world and in our lives. With each sunrise and with each sunset it reminds us we are all deeply Loved. This is not an illusion. Love is True. And Truth is Love. Reach out to the Universal Source Energy. It's there for us all. In times of happiness, sadness, struggle and contentment, reach out, it is always there. Love is in the air.

With Gratitude,

Kai

P.S. The song, "Love is in the Air" by George Young and Harry Vanda has been singing inside my head for about two weeks now. I'm singing and humming right along. Listen

to the original version by John Paul Young or the zappier Tom Jones version from this new perspective. You may find yourself starting to sing along!

Love is in the Air

By George Young and Harry Vanda

Love is in the air
Everywhere I look around
Love is in the air
Every sight and every sound
And I don't know if I'm being foolish
Don't know if I'm being wise
But it's something that I must believe in
And it's there when I look in your eyes

Love is in the air
In the whisper of the tree
Love is in the air
In the thunder of the sea
And I don't know if I'm just dreaming
Don't know if I feel safe
But it's something that I Must believe in
And it's there when you call out my name

Love is in the air
Love is in the air

Love is in the air
In the rising of the sun
Love is in the air
When the day is nearly done
And I don't know if you are an illusion
Don't know if I see truth
But you are something that I must believe in
And you are there when I reach out for you

Love is in the air
Everywhere I look around
Love is in the air
Every sight and every sound
And I don't know if I'm being foolish
Don't know if I'm being wise
But it's something that I must believe in
And it's there when I look in your eyes

Love is in the air
Love is in the air, Love is in the air
Love is in the air
