Ms. Beery continued to report on the charter renewal by saying as far as the application process, she will need help defining the mission specific goals. Once the renewal is approved and the school has performance goals the school will be measured yearly and they will continue to have an updated flow of data.

Mr. Maxwell then noted that we should be careful not to lose sight of the importance of recruitment efforts going through the state requirements

Mr. Hotchkiss then noted that the policies and procedures need to be approved at the next board meeting. He commented that he would find, review, revise and provide a copy to the board for the next meeting.
