

Sivan, 3rd Month of the Hebrew Calendar

- Month of Zebulun, the businessman month. Pentecost. God wants us to learn about prosperity. Genesis 49:13. Note: the Western mindset refers to thinking we earn our money, or our lively hoods, by our own efforts. It is true that we have to sweat (because of Adam cf Gen. 3), but God wants us to know it is HE who gives us the power to get wealth Deut 8:17-18)
- Month of giving – we need to find some kind of special offering. Offerings can be our substance, our time, or even a particular revelation. We have to learn how to share revelation. Don't try to give it to an "old wineskin," it's counterproductive. Most of us think we need to teach our revelation to others. However, we need to make sure we share it with the right people. Don't try to force it; we need to find the right connections. It's these connections that we should be giving to/sharing with.
- Month to review your giving process.
- Month of receiving new boundaries, or new fields. It is very important to be expectant of these new fields opening.
- Month to be merciful. (John 8)
- Month of alignment (Moses, Miriam, Aaron) – watch the worship and sound during this month. Unity is very important. When Moses, Aaron, Miriam were in agreement, things moved ahead. Ask the Lord to show you any areas that are not in unity.
- Is a key month of Sabbath – The Feast of Weeks (Shavuot) is here. 3 levels of celebration for Pentecost. God is serious about our resting in Him. Make sure you are all taking Sabbath rest, once a week. Our choosing to rest says, "God we know you are our source and the one who gives us the power to get wealth."
- Month of Zayin – receiving mercy to complete certain things. Remember Philippians 1:6 – that what God has started in our lives, He will bring to completion. Zayin means "the sword," "sustenance or nourishment" Note how the word of God is both the sword of the spirit and the bread of life. Zayin also has the value of 7, or completion.
- Month of "Transparent Pane" so that you see clearly. First put the window over you (Nissan was the month of "Window of Heaven"); declare the window of heaven is open (month of Nissan – God wants to blow into you; Lyar – conscience connects spirit and soul.) Declare you can see clearly, and that you're not walking around with a guilty conscience (1 Timothy 1:5). Be sure to shake off any sense of failure or condemnation.
- Constellation of Gemini (two tablets). The law had to come twice, because of the first failure. Isn't it good to know that we can fail, and still God comes through for us on account of His mercy.
- Wedding month (Song of Solomon 5:2) – think covenant; think intimacy with the Lord. Be sure to take time to draw away with the Lord.
- Jacob or Esau month (good inclination or evil inclination). God spoke to Chuck Pierce and said, "You have an evil as well as godly inheritance. You choose the one you want." Let us be sure to choose the godly inheritance.
- Month of cause rather than result. Become a catalyst that becomes a cause; result will manifest later. This is much like sowing.
- Month to continue on in God's way, instead of taking a wrong path (Deut 33:18, 19). We differ from the angels. Choose against your emotions. Angels come and stand (minister, etc.) but it is we who walk. We can cause the angels to leave by wrong walking/actions.
- The month to go from one level of strength to the next
- The left foot month, connecting your speech to your walk. (Prov 10:9) – what you decree has to connect with your walk. (If don't walk it out, the decree will not help.)
- Don't let the Western mindset fragment things. God is moving through, not disconnecting months. He is tying each month into the next. Gather wisdom and move forward. This is the way not to waste. There is power of God that can restore quickly. Once you get moving in God's time, you move into and begin to see restoration acceleration. Restoration will double, quadruple, or septuple (sevenfold) as fast as what you wasted. Don't give up on people who have made a mess. God can rebuild. They rebuilt the wall in 52 days.
