

## **Adar, 12th Month of the Hebrew Calendar**

1. Month of the tribe of Naphtali, which means “sweetness to me.” It is a time of celebration so that your curse is overturned and things become sweet to you. Note Deut. 33:23 “Naphtali is abounding with favor of the Lord...”
2. A month of eloquent communication and expressions of joy and laughter. Genesis 49:21, “Naphtali is a deer let loose; he uses beautiful words (NKJV).” We need to enter “celebration mode.” We need to celebrate the end of our problem(s). Declare that God has brought you out of the old and into a time of great favor.
3. Your true identity should begin to be reflected this month, spiritually as well as physically. God has cycles to help us come into our identity; things of the spirit will be reflected in the physical.
4. The month of letter Kaf (this Hebrew letter looks like a mask). It is a time of removing any masks and entering into laughter. Enter into the true joy of who you are (one needs to remove the mask(s)).
5. A month to overturn worry and anxiety.
6. A month to overturn anxiety about your supply – if you remove anxiety, then you can see your supply. If you remain ruled by anxiety, then you will not be able to see the provision God has for you.
7. The month of a sense of laughter, abounding joy, the witnessing of life entering into darkness, the advantage of light over darkness, the power of barrenness being broken. No matter what the darkness, LAUGH and watch God permeate it. Light permeates darkness; when see this, barrenness will break.
8. Begin to laugh at fear (Psalm 34:4-6).
9. Month of the spleen. Pull out any roots of depression and despair so faith can break through into our thought processes.
10. The month that Moses was born; Thus, your deliverance is forming. See deliverance is already forming for you. Take a look at whatever is holding you captive and declare God’s truth, that He is already forming deliverance and freedom for you and that it is on the way!
11. A month to develop your war strategies against the anti-Christ spirit. Don’t let the giants produce fear in you; guard against idolatry. Amalek will try to come. Don’t end the year in fear. (I like to look at Exodus 17:8-16. When Moses’ hands were raised, Israel had victory; when his hands were lowered, they were being defeated. For us this means we can keep our “hands raised” by staying in faith and joy. This will keep us in the victory of the Lord.
12. A time for wrong decrees to be broken off of you. (If there are wrong decrees, they will encircle you and cause others to say the same negative things about you.) You need to break off the negative things decreed about you. (I suggest a time of praying and asking the Holy Spirit to reveal some wrong decrees, both self-made, and “others-made.” Forgive those who uttered them, put the blood of Jesus on them, and then break them in Jesus’ name.
13. A time for leadership to awaken (next month they go to war).
