

OUR MISSION

The mission of the Army of God International Gospel Centre is to equip God's people to achieve personal and corporate destiny. We do this by empowering people spiritually, emotionally, educationally, socially, economically, and politically. As a Christ-centered ministry, we are inclusive of all people, fully embracing in our lives and ministry people of every race, gender, culture, affectional orientation, family configuration, physical or mental condition, and all other distinctions which are the rich tapestry of God's creation.

Through the means of grace, we are God's people being renewed in a liturgical community that acknowledges its roots and diversity: challenging, teaching, healing, and caring for the people of God. We are a family in this place, the offspring of Christ, brothers and sisters in faith.

The fundamental mission of the Army of God IGC is:

1. To propagate the word of God to the outermost part of the world.
2. To help reduce crime in the communities.
3. To organize deliverance prayer times for the captives, the sick and the broken hearted (Army of God International Gospel Centre is to help those who are held bound by the powers of darkness to become free through the principles taught in the Holy Bible. Educating those in the body of Christ who are ill informed about demonic influences on human kind. Then enlisting them to set others free. We hope to bring together all of God's children; unifying them in Love, Friendship, and Service).
4. To organize groups of believers and train them for the various Christian services.
5. To provide help and support for the poor and the needy. (Adoption, Scholarships, e.t.c)
6. To create language and other educational institutions in the poor communities.
7. To provide free assistance for the tourist worldwide.
8. To provide assistance to all churches worldwide; mobilization of members and other resources to support objectives of the church community ensuring peace, church planting, church development and church growth. (Most people call the AGIGC Church Doctor for the reason of this mission).
9. To create businesses around the globe to cater for the unemployed especially in the crisis areas.
