

April 2013

First of all, I want to thank you for your help!

I know that the Vietnamese still mistreat those who worship God in the Central High Lands. On April 5, 2013, the police called all the leaders of the church to the commune. The three police were watching one of the Montagnard, who was a leader of the Jarai people. The reason the police were watching them was because those people are taking care of the church. The police tell them that "you should not have faith in God or worship like Nglol Rahlan, and do not call his name either." Police tell them : "do not read the Bible, and do not worship the name of God. If you want to worship or believe, you have to worship Kim Siu, so the Vietnamese government will allow your people to worship. "

Siu Kim worked with the officials in Ha Noi. Siu Kim is the one who tells the government that there is no mistreatment or hitting people in villages that worship God. Siu Kim is the one who told the American government that there is no problem. He is the one who could speak in front of the embassy, human rights Watch, United State Commission on International Religious Freedom and UNHCR (and to other people). Siu Kim is the one that the communists trained to betray the Montagnards people. Siu Kim follows the communists, and the communists old Siu Kim that he is a nice person.

I want the United States of the Human Right Watch and United States Commission on International Religious Freedom to know not listen to what Siu Kim said because it is all lies. That's all I want to say.

Thank you,
Sincerely,
Nglol Rahlan.
