Invitation Letter

This note is to invite you to formally register to receive training in our Karate-Fitness program. I am extremely delighted to personally welcome you to the exciting world of martial arts for healthy living, recreation and self-physical confidence.

As you continue to study in our Goju Ryu Karate and fitness program, you will find that your decision to enroll will reward you in many ways not previously thought of. I am sure that most of the students here could tell you of the many personal benefits that they have experienced so far.

If at any time you have a concern or a question, do not hesitate to ask me. We take great pride and interest in each and every one of our students and will not hesitate to help in whatever way we can. Our family-like and Christian atmosphere is enjoyed by all.

We look forward to you having a great experience in our martial arts program,

Sincerely

Deo Sensei
