Contract Agreement

Date: _____

As a member of the East Tennessee Children's Choir, under the umbrella of Mountain Empire Children's Choral Academy, I agree to make singing in the choir a high priority, to abide by the rules stated in the *MECCA Handbook - which can be found on our MECCACADEMY.org website*, and to be a member for the *entire school year*. It is very important that the students continue on in the choir throughout the spring semester without any interruption of instruction.

Tuition of \$260.00 for the entire year will be due no later than September 30. A late fee of \$25.00 will be added to tuition after September 30.
