OAK PARK CIVIC ASSOCIATION TRASH COLLECTION POLICY

The Oak Park Civic Association, Inc. (the "Association") has contracted with Republic Services to provide trash collection service for the residents of Oak Park. This service includes the following:

1. **One trash tote.** Each household has been provided with one trash collection tote. Please contact myStreet Community Management at hoa@oakparkrva.com if you wish to have an additional tote delivered to your home.
2. Residents may put out five (5) bags with their tote throughout the year; up to eight (8) bags may be put out with the tote during the "leaf season" (November through December).
3. If you have any questions about your service after move in, please contact myStreet Community Management.
4. Trash collection is **ONCE** per week, currently on **WEDNESDAY**. Please bring your tote to the curb the night before your scheduled collection day. If your garage opens onto the alley, your trash must be put out in the alley for collection. The tote must be returned to its containment area the evening that the trash is collected. This collection day may change in the future but you will be notified of any change in service.
5. Curbside recycling services are not offered by Republic Services. If you wish to participate in the recycle program, please contact the Central Virginia Waste Management Authority at 340-0900 or visit their website at www.cvwma.com.
