 Keller, Texas
 February 22, 2020

Keller ISD Natatorium
 1000 Bear Creek Parkway
 Keller, Texas

145 divers from 8 teams competed.

35 divers from COM Diving Team competed and won the meet with 372 points. This is the first time that we have won against the GC Diving Team at their home pool. For many of our divers, this was their first time to travel out of town for a competition and for some it was the first competition ever. Connor Birden tied with Jacob Seifert from GC Diving for Men's Individual High Point winner. Mercy Goodnight tied with Evelyn King from San Antonio Divers for 3rd Women's Individual High Point.
