

## COM AQUATICS DIVING TEAM

The Pump Jack Classic is two weeks away. Each diver must have a DiveMeets profile to participate in the meet. To find out if you have a profile, go to Divemeets.com, from **Find** drop down menu select **Diver, Coach or Judge**. If you find multiple profiles, please let us know and we will help you consolidate into one profile. For divemeets.com login issues, email: support@meetcontrol.com

### DiveMeets Profile

Profile changes can be done under the **Update** drop down menu, then select **Account**.

In your DiveMeets profile you must have the following things filled out:

**Organization Membership:** Select Diver under Amateur Athletic Union (AAU)

**Team Affiliation:** City of Midland

**Membership number:** AAU # (please see below ways to find this)

Your diver's information on the AAU and DiveMeets profiles (address, date of birth, etc.) must match or DiveMeets won't be able to create a profile. Contact us at [com.diving.team@gmail.com](mailto:com.diving.team@gmail.com) if this is the case, so we may help get it resolved.

### AAU #

COM gets an AAU number for all divers each year. Do not purchase your own AAU membership.

To get your most updated AAU #, do one of the following:

- Google: AAU number lookup
- Contact the front desk at COM (we have all divers AAU numbers on file)
- Contact COM diving staff

Once you have this information, correct in the DiveMeets profile, you are ready to select the meet to register your diver.

### Sign up for Pump Jack Classic on Divemeets.com

- Select **City of Midland** every time you are to select a team affiliation, club team, ...
- Select **Chereches, Gabriel** every time you are to select a coach (coach of record, coach at the pool, ...)
- The coaches have handed out the list of events and dives to each COM diver. If you do not have this information, contact the COM diving staff.

Please contact the COM diving staff if you have any questions.
