We need your help to make this schedule work.

Several coaches are taking the summer off and we still want to offer safe and productive classes. To do so, we are making sure all your kids are able to have a class time even if it is the morning space. Please remember, the morning class is great if your kid(s) are also attending summer camp in the afternoon. When you arrive April 20, please pick up a red numbered ticket. The tickets will designate the order you are allowed to sign up your child(ren) for a class time. Class spots will be filled on a first-come-first served basis and once a class is full, you will be asked to sign up for another available class time. One ticket per family will be issued.

Fall class schedule will begin August 20.

Thank you,
COM Diving Staff
