

COM Divers Place 2nd at 2018 USA Diving Zone B Championships that took place June 28th – July 1st in Ft Lauderdale, Florida

Congratulations to our COM Divers who dove their hearts out in Ft. Lauderdale against some of the best teams in the country. We had 14 divers qualify for the USA Diving National Championships in Atlanta next month. We are so proud of our divers for training hard, learning new dives and stepping up to compete against top ranked teams and divers. Thank you parents for your support, cheers and enduring an outdoor pool deck in Florida. We couldn't have done it without you! The meet results are below, sorted by age group:
