*The Munns Family
Welcomes You to Our
19th Annual Production Sale!!!*

Saturday, September 3rd 2016
Preview 11:00 & Sale Time 1:00
Madison County Fairgrounds

We hope you enjoy your day with us and are pleased with the stock we have to offer. The sale will be held at the Madison County Fairgrounds in Rexburg, Idaho. The babies will be available to view about 11:00, at that time we will start the day off with a preview of the saddle horses as well. This preview is a great opportunity for potential buyers to see which horses really fit them best. Cattle will be available to show the rope and ranch horses on. We will take a few minutes following the preview to regroup and move to the indoor facilities where the sale will be held at 1:00 sharp.

In 1961 Keith Munns along with his father, purchased a Montana Ranch on Hebgon Lake. A year later he married his wife Ruth, and they started a family of their own. All of their life they have been involved in the livestock industry. Keith is an accomplished auctioneer. He sells the local livestock auctions, as well as handling various horse sales, estate sales, farm machinery auctions, etc. At one time they co-owned the Rexburg Livestock Auction along with Keith's brothers, and ran cattle of their own for a number of years. Although other avenues have supplemented their income from time to time, Keith's passion has always been his horses!!! Keith and Ruth have raised 2 children, and the family has been based around the horse world in one way or another from day one. They were involved in everything from chariot racing, ranching, team roping, calf roping, penning, and even ran a few horses on the flat track. It was pretty hard to be raised in the Munns Family and not catch the "horse fever".

Their son Jeff enjoyed chariot racing with his dad when he was young, and rode colts for a number of years. He also spent a few years riding cattle in a feedlot which really made some good horses. Jeff has 3 children, Kolton, Kassie, and Katie. He and his son Kolton have really enjoyed some father/son time, spending many hours together team roping. They both work on the ranch with Keith, helping with the farming and the horses. They spend many hours handling the young horses and getting them broke to lead. Come sale day we all appreciate the effort that has put into making these babies gentle and good to handle. It sure makes things go smoother at the sale and gives the buyer's a head start. Both girls have completed their schooling in Twin Falls and have jobs there. We are proud of them for persevering and furthering their education. They come home every chance they get and we always look forward to their help when they do.

Keith and Ruth's daughter Becky, followed in her dad's footsteps and loved the horses from day one. She married Dan Miller and they have 3 children; Breanna, Ty, and Charly. They are fortunate to share many common interests, all centered around the horses. They run a few cows of their own, go to quite a few brandings each year, team rope a little, and do whatever day work they have time for. They both enjoy making a nice saddle horse, and the more cow work they can give one the better they like it. Breanna loves to ride and has spent her summer helping prepare the sale horses. She is starting into her sophomore year of high school rodeo and keeps us running from jackpot to jackpot! At a very young age Ty has made it clear that he prefers to help Grandpa or any willing neighbor with their farming. Thanks to a little competition from his sisters he does feel the need to ride some as well. Our little Charly is now 5, and she is out to prove that she is just as big as Ty. She loves the horses just like Breanna. Last year she graduated from her pony "Shorty" and is now beating Breanna out of her rope horses. She has ridden several of the geldings in the 2016 sale a fair amount as well!

Keith and Ruth have dedicated 50 years to consistently breeding versatile using horses, sound of foot and mind, with conformation, eye appeal, and color as a bonus. Keith has always felt that a high quality broodmare band is a critical part of any breeding program. He strives to maintain a fancy set of mares that will enhance the qualities he is trying to produce in a foal. Each year Keith keeps a few replacement fillies that he feels will better the program. His Driftwood bred mares have proven to really cross well with several of the Hancock bred stallions we are currently using. We are really excited about our current selection of stallions. We are working hard to produce colts that are nice individuals with lots of bone and foot, good withers, pretty conformation, and trainable dispositions. The stallions we are currently using are all showing strong traits in those areas. We are finding that certain horses are crossing better on different types of mares, and each year we are learning more and more which combinations we like best. Find more detailed information on each stallion through the next few pages, and even more stallion pictures on our website at threebarquarterhorses.com.

We feel strongly that a production sale must be well represented. We stand behind our horses and enjoy the friendships established while doing so. It is important to us that people can buy at our sale with confidence. We recognize that every horse will not fit every person, but we are committed to helping you find the right horse for you... the one that will fit your needs and lifestyle. We are bringing a set of horses to town that we feel have the capabilities necessary to create happy customers. This year there are nearly 20 head of riding horses in the sale. They range from well started geldings to solid ranch horses that will fit the whole family, and kid horses alike. There will be a good variety... something for everyone! Come visit with us and we will help you decide which horses fit you best!

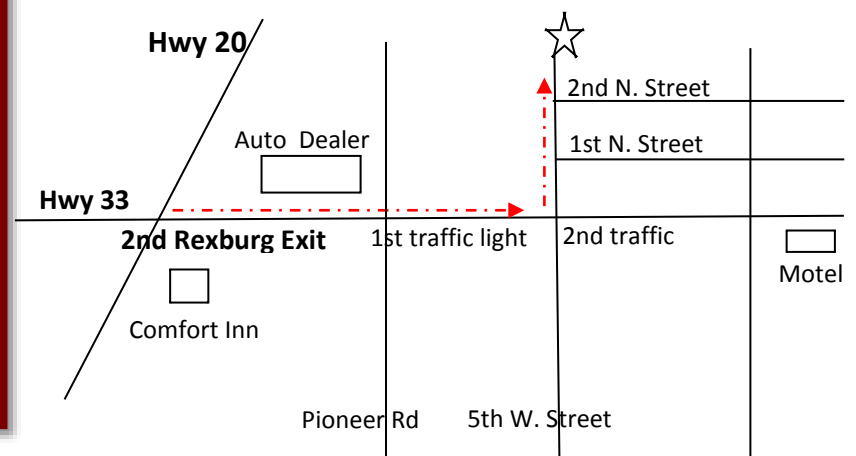

We are pleased to have a few of Shiner's horses in the sale again this year. We see a lot of similarities in our breeding programs. Our stock carries a lot of the same bloodlines, Driftwood, Peppy San Badger, Colonel Freckles, King Fritz, and Hancock to name a few. They have a nice son of Paddy's Irish Whiskey that has been doing a great job for them. We are happy to be doing business with the Shiner family. They are honest, trustworthy people, and good horsemen. We are sure you will find the same in dealing with them.

We are looking forward to a fun day full of good horses, good people, and good old fashioned western atmosphere!! Come spend Labor Day Weekend with us!!

Phone bids are accepted. Please contact us and register ahead of time.
 We will take your phone number and call you just prior to the horses you are interested in sells.

High Roan Mist

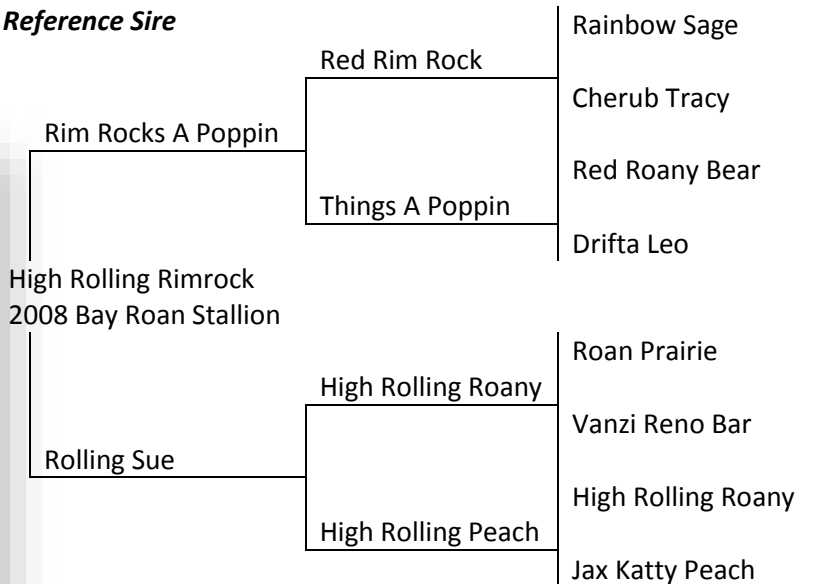

Munns Reference Sire

High Roan Mist stands a strong 16.1 and will weigh 1400 lbs. Good withers, deep girthed, sturdy bone and foot. He is by a double bred *High Rolling Roany* stallion and out of a mare that goes back to *High Rolling Roany* as well. They are noted for being rugged, tough, old style type horses that make sturdy ranch horses. Lots of bone, foot, and size. The kind that stay sound and stay tough late into life. Many have went to the arena as well as making a reputation as phenomenal ranch horses. They are making rope horses, pickup horses, and just good all-around using horses.

High Rolling Rimrock

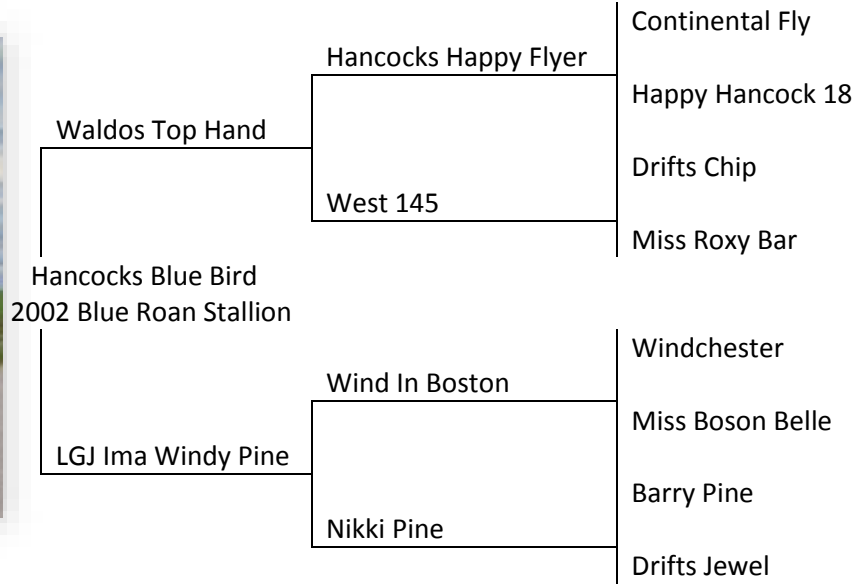

Munns Reference Sire

Rimrock is an extremely gentle stallion with a kind disposition. Kolton started him as a 2 year old and he has been problem free right from the start. The nice minded kind that will ride off with no fuss, regardless of the time of year and go do about any job. Dan has branded on him and heeled on him a little too. He is very cowy, intelligent, and really willing with a big stop. We like his conformation as well. He is a nice headed horse with a good hip, dark solid feet, and he is well balanced. Out of a double bred *High Rolling Roany* daughter. We are looking forward to his future, and feel that he could have a big impact on our horse program. We have rode a few of his offspring now and are finding that same ability and trainable dispositions in them.

Hancocks Blue Bird

Munns Reference Sire

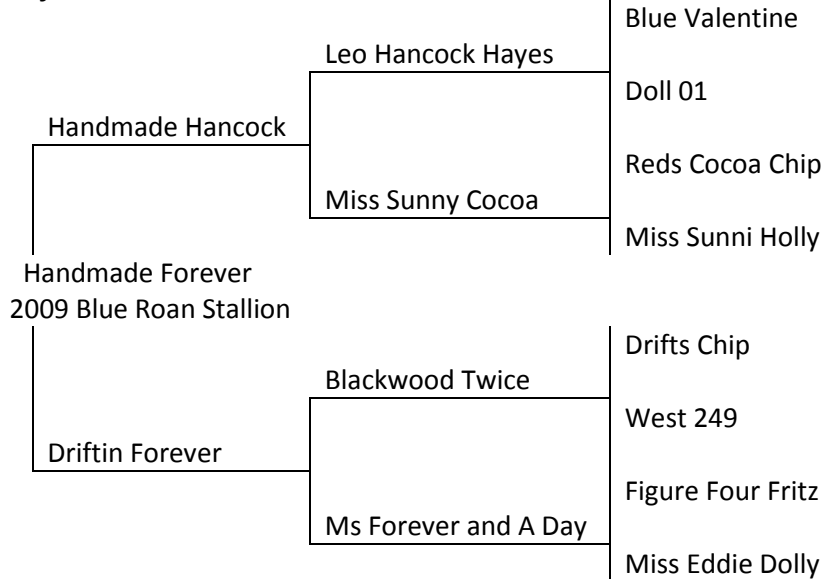

Becky started *Blue Bird* as a two year old and loved him right from the beginning. He has an unbelievable disposition. Very kind and gentle. If you go out in his set of mares he is the first to look you up and want some attention. We have used him as a saddle horse during breeding season and he rides off like an old gelding that never had a day off. We have rode quite a few of his colts and they are gentle natured just like their daddy. His colts all have a lot of eye appeal and are up on legs good. They are favorites of the general public because of how user friendly they are.

Blue Bird is a big horse. A strong 16 hands, with a big heavy bone structure under him. He has that old foundation that we are trying to breed back into today's horses. They are the kind that stay sound and hold up under hard use.

Handmade Forever

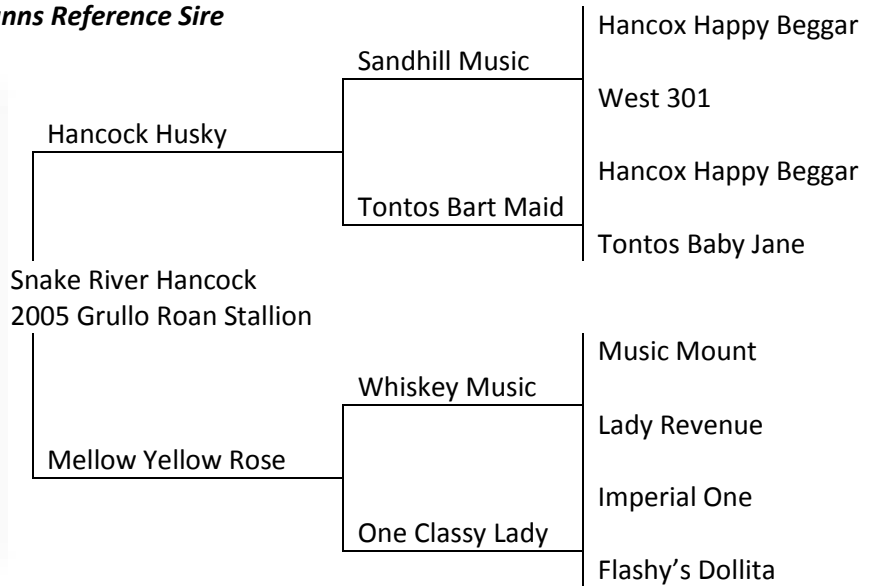

Munns Reference Sire

Handmade Forever is a horse we raised. True blue roan and a very pretty made stallion. He stands 15.3 and will weigh a strong 1300#. He is heavy boned with a good foot, deep girth, plenty of shape, and an extremely keen head for such a sturdy made horse. He is an exceptional traveler and pleasant to use on the ranch. Lots of natural cow and a good work ethic too. This is our 3rd foal crop by Handmade Forever and there is a lot of consistency in what he is producing. They are nearly all dark footed, sturdy made colts with good heads. Once again there are about 8 blue roan horse colts by him that we can hardly tell apart.

Snake River Hancock

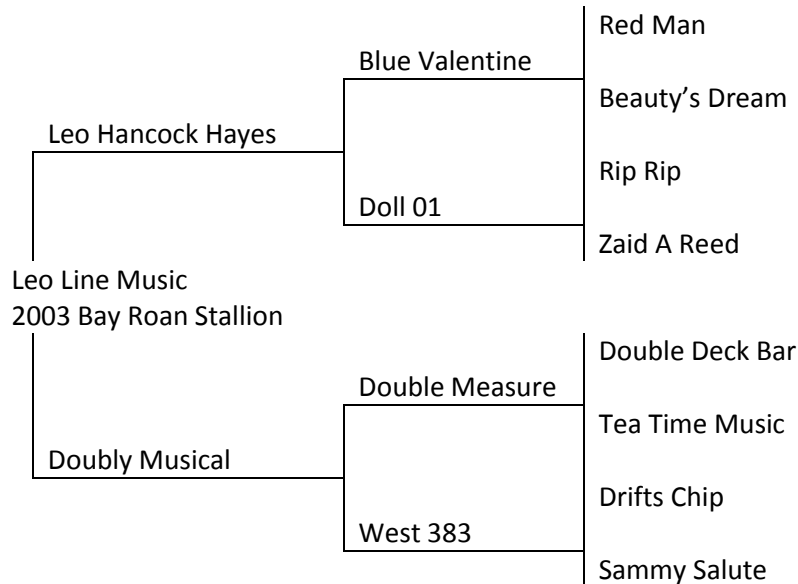

Munns Reference Sire

Snake River Hancock is a half brother to our senior sire, *Grullo Driftwood*. They are both out of *Mellow Yellow Rose*, one of the great conformation mares of all time. She was an outstanding producer and a granddaughter of *Music Mount*. She has put her look on nearly all of her foals and certainly "prettied up" several of these old foundation bloodlines. This horse has a very kind disposition. We rode him a little as a 2 and 3 year old and he was always gentle and kind. He is a good traveler, cowy, and is very willing and trainable. He has a lot of bone and foot under him and should hold up under heavy ranch use and stay sound. Big pretty hip, deep girth, and heavy chest.

Leo Line Music

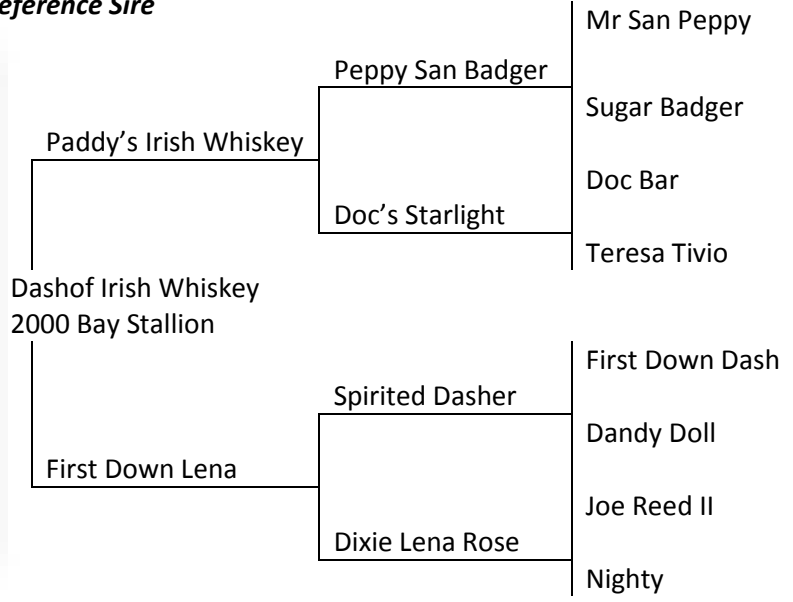

Munns Reference Sire

"Leo" is a new stallion to our breeding program. We only have a few colts this year, but put quite a few nice mares with him this summer so we will have a bigger crop next year. Lot #55 is a nice blue roan colt by *Leo Line Music*, and if he is an honest sample of what he is going to produce... we are tickled! "Leo" is an own son of *Leo Hancock Hayes*, who was one of the last producing sons of *Blue Valentine*. He is a big framed horse with a lot of bone and foot. "Leo" also has an exceptionally keen head for such a "heavy boned" kind of stallion. We look forward to next spring and a bunch of little "Leo" babies!

Dashof Irish Whiskey

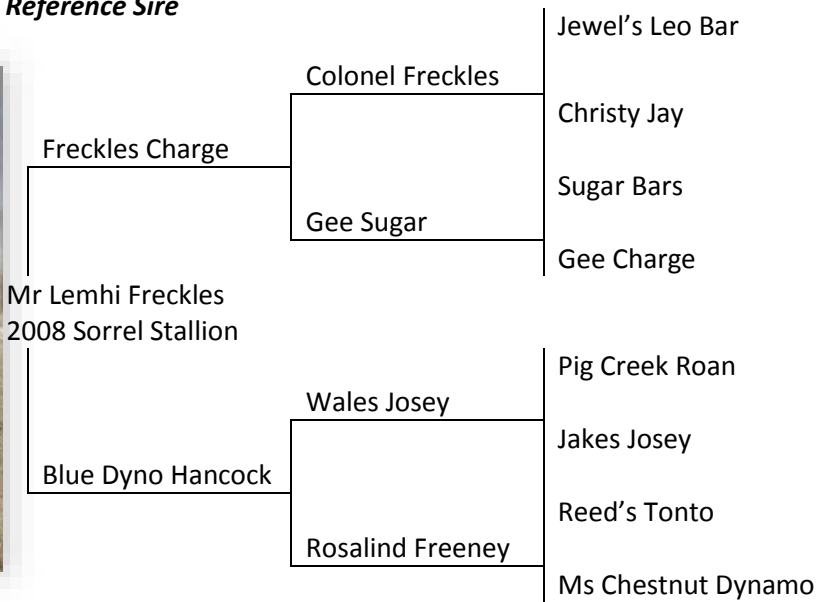

Shiner Reference Sire

Whiskey is an own son of Paddy's Irish Whiskey and out of a First Down Dash/Doc O Dynamite mare. We are really liking the colts that Whiskey is siring. They are really athletic, full of cow, and want to be gentle with real trainable minds

Mr Lemhi Freckles

Shiner Reference Sire

By a son of Colonel Freckles. Nice stallion with plenty of size and eye appeal. He is a good broke horse with lots of talent. We are excited to see how his colts ride.

Solid broke ranch gelding!! Charly is just 5 this year and she has rode *Playboy* all summer trail riding and moving cows. He has a big motor and is tough for a full days work. He has branded a zillion calves, roped outside, and roped both ends in the arena some as well. He rides soft in any bridle and goes anywhere you point him. He is one that a novice roper could learn to brand on safely but also has ability and enough try for an advanced roper to enjoy. Our whole family has used him as well as several of Breanna's friends and he just seems to fit everybody pretty well. Real pretty bay roan with a dark red head and a full mane and tail. Dark feet all the way around. Prime age with a full life of use a head of him!! Questions 208-221-1090

		Jo Roan Jo

Fancy blue roan horse colt by *Rimrock* and out of a nice *Bluebird* daughter. Big strong colt that has done good from day one. His mother has been feeding an orphan colt the last month and he STILL looks great!! We are loving the *Rimrock* dispositions. They are proving to be very trainable with the same natural talent that he has.

Marvin is a gentle pony that has been used for a little bit of everything on the ranch. Perfect size so a big kid or small adult can ride him with no worries of hurting him. Charly rides him where ever she wants to go and is safe. He could be on the laid back side for her but can wake right up and do a job for mom or dad just fine. Becky has branded on him a lot. He has doctored lots of cattle outside and roped both ends in the arena some too. Easy to get along with trail riding or gathering cows in the hills. Rides in a solid bridle and is soft and respectful. We topped the Salmon Select Sale with this gelding in 2012, and learned that due to a change in circumstances he was for sale this spring so we went and bought him back. When we got him back here you would think he had never left, rides just the same as he did that day in Salmon. We have used him all summer, and he has quickly become one of Becky's favorites again. Big sturdy made trail riding gelding that is gentle! He is safe for about anybody to go to the mountains on. We have had inexperienced riders on him and they always seem to get along.
