Preview 11:00 & Sale Time 1:00
Madison County Fairgrounds

We hope you enjoy your day with us and are pleased with the stock we will offer. The sale will be held at the Madison County Fairgrounds in Rexburg, Idaho. The babies will be available to view about 11:00, at that time we will start the day off with a preview of the saddle horses as well. This preview is a great opportunity for potential buyers to see which horses really fit them best. Cattle will be available to show the rope and ranch horses on. We will take a few minutes following the preview to regroup and the sale will be held at 1:00 sharp. We recognize the fact that life is busy... So in case you aren't able to be at the sale we do accept absentee bids as well as offer the opportunity for customers to bid over the phone. It is not problem free and you do run the risk of a dropped call or poor reception causing interference. We do ask that a refundable deposit be sent when registering to phone bid. Check with us if you are planning to bid this way and we will do what we can to insure everyone is given an opportunity to buy their dream horse!

In 1961 Keith Munns along with his father, purchased a Montana Ranch on Hebgon Lake. A year later he married his wife Ruth, and they started a family of their own. All of their life they have been involved in the livestock industry. Keith is an accomplished auctioneer. He sells the local livestock auctions, as well as handling various horse sales, estate sales, farm machinery auctions, etc. At one time they co-owned the Rexburg Livestock Auction along with Keith's brothers, and ran cattle of their own for a number of years. Although other avenues have supplemented their income from time to time, Keith's passion has always been his horses!!! Keith and Ruth have raised 2 children, and the family has been based around the horse world in one way or another from day one. They were involved in everything from chariot racing, ranching, team roping, calf roping, penning, barrel racing, and even ran a few horses on the flat track. It was pretty hard to be raised in the Munns Family and not catch the "horse fever".

Their son Jeff enjoyed chariot racing with his dad when he was young, and rode colts for a number of years. He also spent a few years riding pens in a feedlot which really made some good horses. Jeff has 3 children, Kolton, Kassie, and Katie. He and his son Kolton have enjoyed many hours together team roping. They both work on the ranch with Keith, helping with the farming and the horses. They spend a lot of time handling the young horses and getting them broke to lead. Come sale day we all appreciate the effort that has put into making these babies gentle and good to handle. It sure makes things go smoother at the sale and gives the buyer's a head start. Both girls have completed their schooling in Twin Falls. We are so proud of them for persevering and furthering their education. Kassie married last summer, and both girls have chosen to stay in Twin Falls for the time being and have jobs there they enjoy. Katie comes home every chance she gets and we always look forward to her help when she does.

Keith and Ruth's daughter Becky, followed in her dad's footsteps and loved the horses from day one. She married Dan Miller and they have 3 children; Breanna, Ty, and Charly. They are fortunate to share many common interests, all centered around the horses. They run a few cows of their own on a forest allotment in Spencer, ID so the past couple summers they have stayed out there as the Forest Allotment manager, signing their geldings up for a "full time job". It has added to the hectic lifestyle they lead, but has worked out good. They both enjoy making a nice saddle horse, and the more cow work they can give one the better they like it. Breanna is starting into her Senior year of high school rodeo and certainly stays busy with her horses! We are pretty proud of her accomplishments the past year. She has won several saddles recently, and had a very successful High School Rodeo Season as well earning the 2018 Girls All Around Title in a tough district, and did it on a couple relatively inexperienced horses that she trained herself. One of them is a daughter of Rimrock and out of a Bluebird daughter. So that has been really fun to watch her win on a mare that was raised by her Grandparents. Ty is 11 now. He still prefers to help Grandpa or any willing neighbor with their farming over the horses. However, he and Charly both have spent a lot of the summer riding in Spencer too. Charly is 7 and just got her "first horse" that she doesn't have to share with anyone!! That makes her heart pretty happy and her work ethic strong. She has eagerly cared for him herself and ridden daily. It's been fun to watch her enthusiasm. She loves the horses as much as any of us and has rode a big share of the geldings that are in the sale while working with us on the forest. She is turning into quite the little cowgirl.

Keith and Ruth have dedicated 50 years to consistently breeding versatile using horses, sound of foot and mind, with conformation, eye appeal, and color as a bonus. Keith has always felt that a high quality broodmare band is a critical part of any breeding program. He strives to maintain a fancy set of mares that will enhance the qualities he is trying to produce in a foal. Each year Keith keeps a few replacement fillies that he feels will better the program. His Driftwood bred mares have proven to really cross well with several of the Hancock bred stallions we are currently using and our Blue Bird daughters have sure been good producers as well. We are really excited about our current stallion power. Find more detailed information on each stallion through the next few pages, and even more stallion pictures on our website at threebarquarterhorses.com. We even have a "New Addition" to introduce!

We feel strongly that a production sale must be well represented. We stand behind our horses and enjoy the friendships established while doing so. It is important to us that people can buy at our sale with confidence. We recognize that every horse will not fit every person, but we are committed to helping you find the right horse for you... the one that will fit your needs and lifestyle. We are bringing a set of horses to town that we feel have the capabilities necessary to create happy customers. This year there are nearly 20 head of riding horses in the sale. They range from well started geldings to solid ranch horses that will fit the whole family, and kid horses alike. There will be a good variety... something for everyone! Come visit with us and we will help you decide which horses fit you best! Most geldings have extensive videos which should help potential buyers as well.

We are pleased to have a few of Shiner's horses in the sale again this year. They have a nice son of Paddy's Irish Whiskey that has been doing a great job for them and also a new stallion that is a Gallo Del Cielo bred horse. They have brought a few colts from both stallions as well as several nice saddle horses. We are happy to do business with their family. They are honest, trustworthy people, and good horsemen. We are sure you will find the same in dealing with them.

We are looking forward to a fun day full of good horses, good people, and good old fashioned western atmosphere!! Come spend Labor Day Weekend with us!!

Phone bids are accepted. Please contact us and register ahead of time.
 We will take your phone number and call you just prior to the horses you are interested in sells.
 A refundable deposit is required.

One Famous Frenchman

Munns Reference Sire

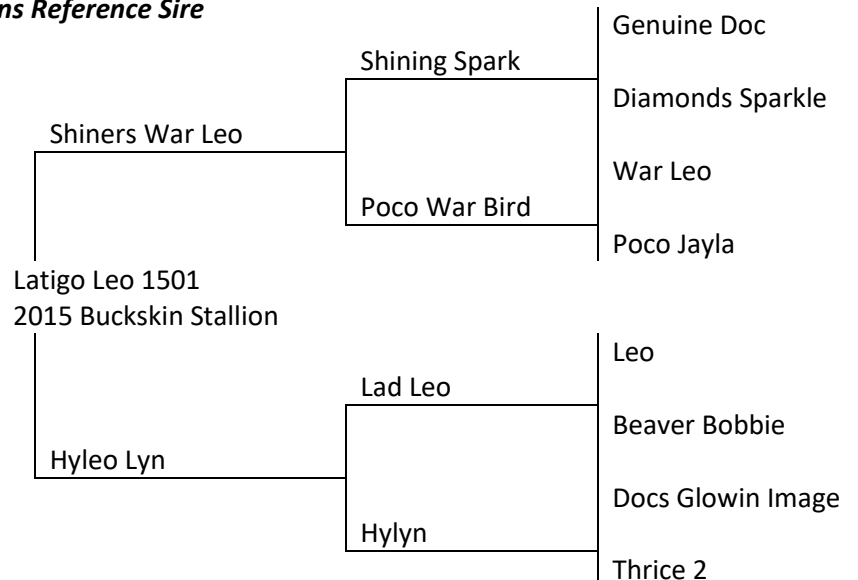

We feel so fortunate to have *One Famous Frenchman* as a fairly new member of our breeding program. We are looking forward to what a little running blood added to our working horses might do for us. We are excited about the possibilities and feel that we might compliment both types of horses with the combination. *One Famous Frenchman* is a 2009 model and just had his first foals hit the ground this spring. We will offer a couple in the sale and have chosen to keep a couple back so we have a few to ride in a couple years. We have bred 10 or 12 of our own mares again for the 2019 season and a handful of outside mares as well.

He is a big pretty individual with good muscling and as keen a head as you will ever find on a *Dash Ta Fame* bred horse. He is a very unique color too... An ever changing golden buckskin to nearly black at times. He has a big full mane and tail and an overall striking presence. *One Famous Frenchman* was in training with Kelly Conrado to futurity and was injured as a 4 year old. That changed the course of his career as he had to have a year off. When he healed they started heading steers on him and made the decision to pursue that direction. He is the makings of a wicked head horse!! He can flat run, and has a lot of cow too. As good of mannered stallion as I have ever been around. When we are riding him he is all business. Just the way we like one to be!! An own son of *Frenchmans Guy* and out of an own daughter of *Dash Ta Fame*.

Latigo Leo 1501

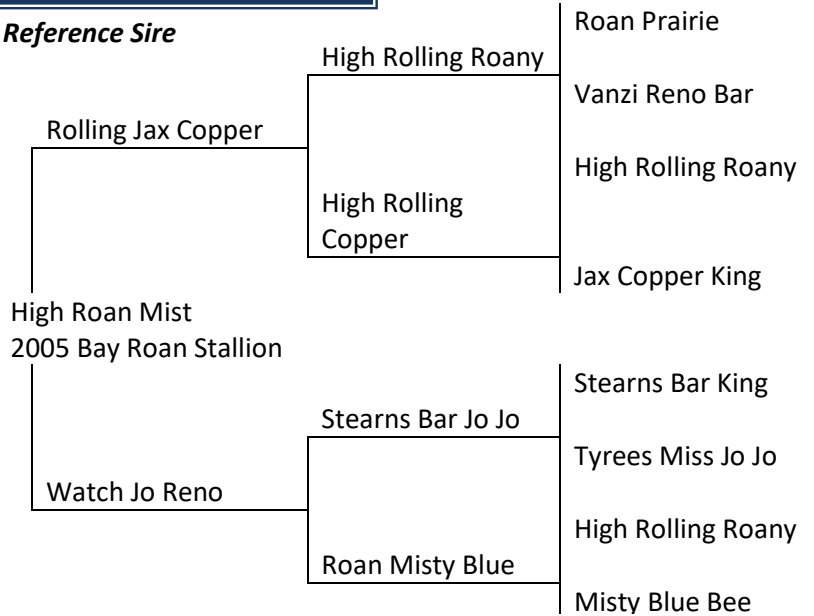

Munns Reference Sire

This is a nice young stallion we used on a set of mares this year. We rode him some last summer and he definitely showed more talent than the average horse, and had a great disposition. We are hoping to get caught up after the sale and spend some more time on him this fall. *Leo* is a very pretty horse. Lots of shape, a keen head, and a nice size for an "all-around performance horse". 15 hands and will weigh 1200#, popular creamy buckskin coloring as well.

High Roan Mist

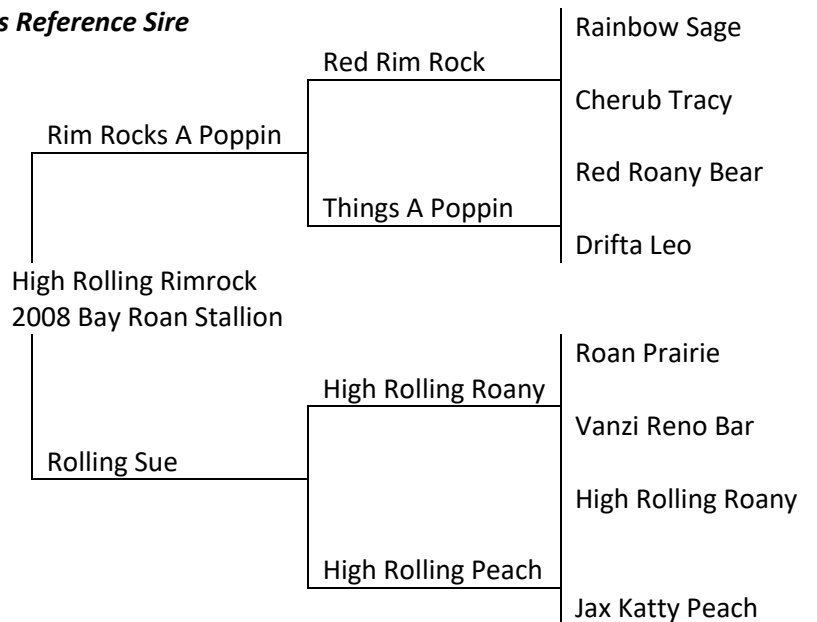

Munns Reference Sire

High Roan Mist stands a strong 16.1 and will weigh 1400 lbs. Good withers, deep girthed, sturdy bone and foot. He is by a double bred *High Rolling Roany* stallion and out of a mare that goes back to *High Rolling Roany* as well. They are noted for being rugged, tough, old style type horses that make sturdy ranch horses. Lots of bone, foot, and size. The kind that stay sound and stay tough late into life. Many have went to the arena as well as making a reputation as phenomenal ranch horses. They are making rope horses, pickup horses, and just good all-around using horses.

High Rolling Rimrock

Munns Reference Sire

Rimrock is an extremely gentle stallion with a kind disposition. Kolton started him as a 2 year old and he has been problem free right from the start. The nice minded kind that will ride off with no fuss, regardless of the time of year and go do about any job. We have branded on him and heeled on him a little too. He is very cowy, intelligent, and really willing with a big stop. We like his conformation as well. He is a nice headed horse with a good hip, dark solid feet, and he is well balanced. Out of a double bred *High Rolling Roany* daughter. We are looking forward to his future, and feel that he could have a big impact on our horse program. We have rode some of his offspring for several years now and are finding that same ability and trainable dispositions in them. Breanna has a young *Rimrock* mare that is out of a *Blue Bird* daughter she has been rodeoing on the past year. She is one of those special kind that gives 110% every time and has plenty of talent to go along with her try. She is cowy, runs hard, stops even harder, and is level headed. Besides being gorgeous!! Good training is a big part of a success like this, but natural ability certainly plays a big role as well. There are several nice *Rimrock* babies in this years sale!

Hancocks Blue Bird

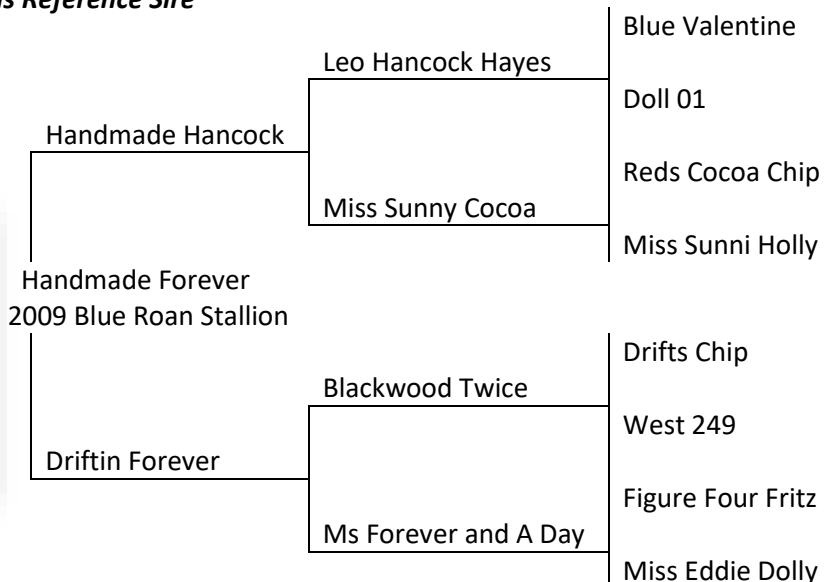

Munns Reference Sire

Becky started *Blue Bird* as a two year old and loved him right from the beginning. He has an unbelievable disposition. Very kind and gentle. If you go out in his set of mares he is the first to look you up and want some attention. We have used him as a saddle horse during breeding season and he rides off like an old gelding that never had a day off. We have rode a lot of his colts and they are gentle natured just like their daddy. They have a lot of eye appeal and are up on legs good. Typically favorites of the general public because of how user friendly they are. Many of our top producing mares are *Blue Bird* daughters as well. *Blue Bird* himself is a big horse. A strong 16 hands, with a big heavy bone structure under him. He has that old foundation that we are trying to breed back into today's horses. They are the kind that stay sound and hold up under hard use.

Handmade Forever

Munns Reference Sire

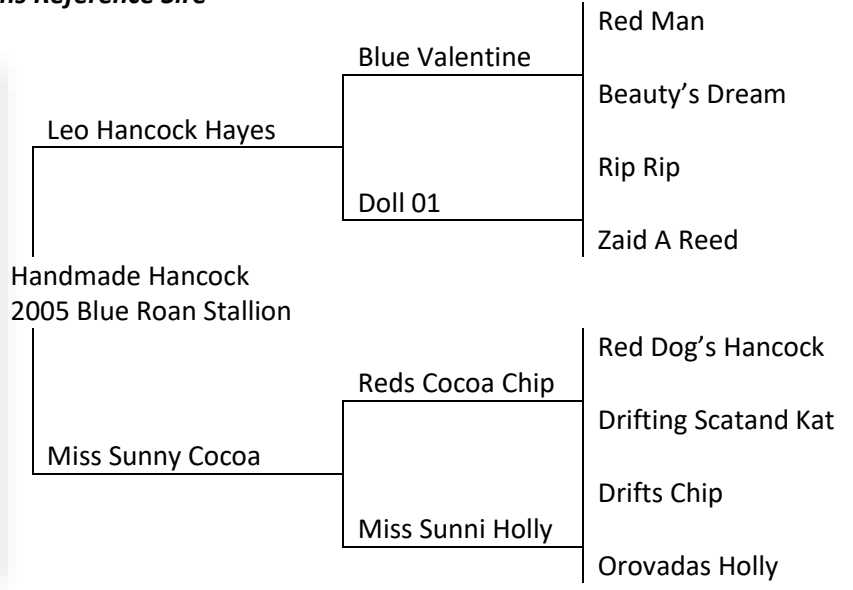

Handmade Forever is a horse we raised. True blue roan and a very pretty made stallion. He stands 15.3 and will weigh a strong 1300#. He is heavy boned with a good foot, deep girth, plenty of shape, and an extremely keen head for such a sturdy made horse. He is an exceptional traveler and pleasant to use on the ranch. Lots of natural cow and a good work ethic too. This is our 5th foal crop by *Handmade Forever* and there is a lot of consistency in what he is producing. They are nearly all dark footed, sturdy made colts with good heads, and most of them are roan. We have rode quite a few of them and they are big travelers, athletic, with a strong work ethic, and are level headed. So far we are very happy with them.

Handmade Hancock

Munns Reference Sire

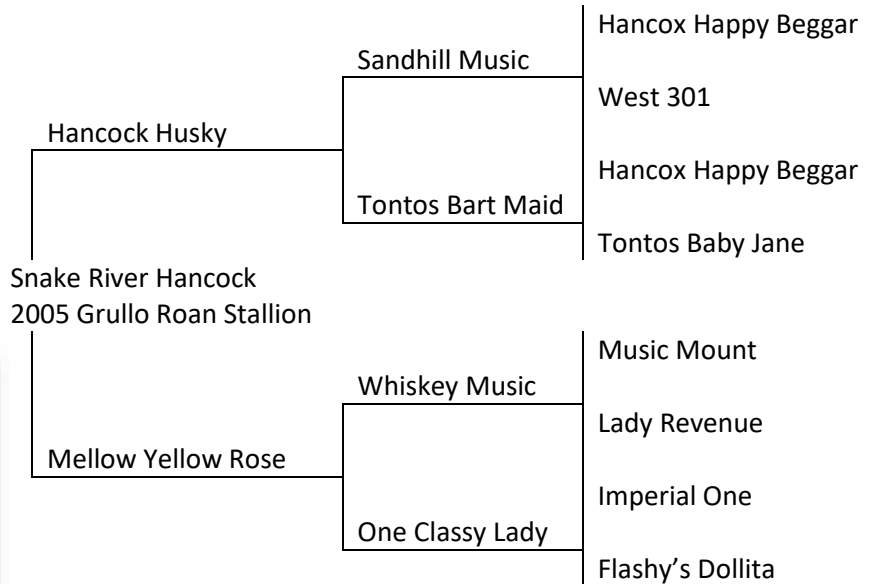

Handmade daughter

We raised this stallion and used him for several years, then sold him to a big ranch in TX, and recently we were fortunate enough to buy him back. We are thrilled!! We questioned ourselves as to WHY we ever sold him in the first place. He is an own son of *Leo Hancock Hayes*. Big, sturdy build, shapey, true blue roan, balanced, and a good mover for such a big horse. He has produced some real athletes that are good travelers, cowy, and real sound minded. We are so pleased to have him back and a part of our breeding program. We used him on a good set of mares this year and so we are really looking forward to what next years foal crop might look like!!!

Snake River Hancock

Munns Reference Sire

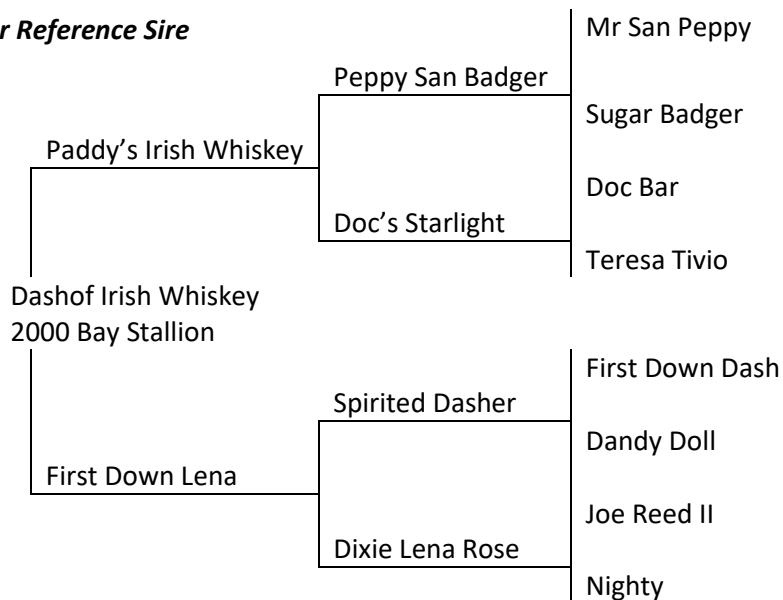

Snake River Hancock is a half brother to our senior sire, *Grullo Driftwood*. They are both out of *Mellow Yellow Rose*, one of the great conformation mares of all time. She was an outstanding producer and a granddaughter of *Music Mount*. She has put her look on nearly all of her foals and certainly "prettied up" several of these old foundation bloodlines.

This horse has a very kind disposition. We rode him a little as a 2 and 3 year old and he was always gentle and kind. He is a good traveler, cowy, and is very willing and trainable. He has a lot of bone and foot under him and should hold up under heavy ranch use and stay sound. Big pretty hip, deep girth, and heavy chest. A couple of our favorite babies from each foal crop tend to be *Snake River* babies.

Y

Dashof Irish Whiskey

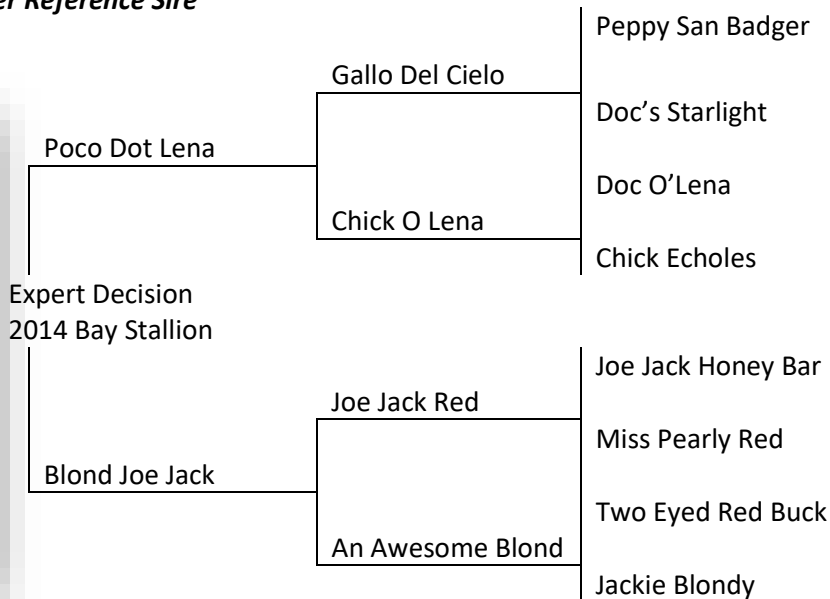

Shiner Reference Sire

Whiskey is an own son of Paddy's Irish Whiskey and out of a First Down Dash/Doc O Dynamite mare. Whiskey has been a great producer of performance horses, ranch horses, and great producing mares as well. They are really athletic, full of cow, and want to be gentle with real trainable minds.

Expert Decision

Shiner Reference Sire

The Shiner Family is excited for the addition of *Expert Decision* to their breeding program. He is by an own son of *Gallo Del Cielo*, and out of a nice performance bred mare as well. Pretty blood bay stallion with lots of conformation and talent. There are a few babies in this years sale by him, and they have used him on a nice set of mares again this season. The Shiner family eagerly looks forward to the opportunity to ride some of his babies in a couple years!! I would expect this to be a great cross on the *Dashof Irish Whiskey* daughters.

Fancy blue roan colt!! The choice is still yours... He is currently a stallion, and is probably stallion quality. However you could certainly cut him and have the fanciest gelding in town! *Cottonwood Blues* is a big strong colt that has lots of shape, heavy bone and foot that should hold up to a life time of hard use, and he has a nice head too. True Blue Roan and not a white hair on him aside from the 3 bar brand he wears. By "Forever" and out of a "Blue Bird" daughter. He should be a nice dispositioned horse and could go a lot of different directions. Certainly a favorite as a head horse prospect because he is going to mature to be a BIG, strong made horse!

Very nice young buckskin gelding that I could be just as happy keeping for my own family. He is nice minded with a willing attitude and strong work ethic. Good mover in all ways, very cowy, sensitive and soft in the face, and pretty dang broke for a 5 year old. He has been used on the ranch a lot and we have roped on him in the arena just a little as well. He is good to brand calves on and doctor outside. The foundation is there for him to go make a fancy arena horse quickly. This is a gentle horse. Not a deadhead, but very kind and sure doesn't want to hurt anybody. Lots of directions he could go. Nice size. Right at 15 hands, weigh 1200# 208-221-1090

Mother is also out of a real good *High Rolling Roany* daughter! If I could justify keeping a pen of colts to grow up and use on the ranch this one would definitely be one I would choose.

Black Drift is an own daughter of *Drifts Chip* (25% *Driftwood*). She has been a pretty special mare to us and has done a great job as a broodmare. Our mares all run together year round. If she didn't have to compete with a herd of young mares for feed I am sure it would benefit her so we have decided to sell her this year. She was pasture exposed to *Blue Bird* this season and I feel real confident she is likely packing a 2019 baby. She is in great condition and could easily have several more foals for someone. We have crossed her this way in the past and she has had exceptional foals. Legendary *Hancock/Driftwood* cross in the making!

"Red Chili" is another of my favorite geldings. If we didn't have a teenage daughter to keep mounted on tough rodeo horses we would be keeping this horse for Dan. He has been his favorite for a couple years. *Chili* has been used on the forest association for two years. A real level headed kind of gelding that stays gentle. Good traveler, smart on a cow, good to rope on and getting better every time we use him. He is to the point you could take him to town for the ranch rodeo or team branding. We haven't done a lot of team roping on him but he is absolutely ready... and the kind that is going to take to it easy. He is an athlete, but laid back too. Perfect size to be able to rope both ends. 15.1 and weigh 1250#. Strong made with heavy bone. Cherry sorrel with a little chrome and lots of eye appeal. Kind to be around, catch, bath, shoe, load, etc. video available or call for more info 208-221-1090 This is the special kind!

"Boss" is a good broke gelding. He is a tough, all day kind of horse that is all business. He isn't a babysitter for an inexperienced person. But for a horse person he is a real solid broke using horse that you can do a lot of jobs on. He is a good traveler and picks his way through rough country really well and has a good work ethic. Not the type that looks you up for attention, but takes his job serious and is pleasant to use on the ranch. If he was kept stalled and couldn't exercise he would be cinchy. But that isn't a problem when he is left out and treated like a ranch horse. That's where I say he fits a horse person rather than a beginner. His quirks are not a problem for a horseman. He is actually quite gentle for the right person. We would be happy to visit about him in detail if you want to call. 208-221-1090

Gonzo has been dad's personal gelding for years. We broke him to ride for Dad and used him on the ranch as a 4 and 5 year old. Branded calves and all the basic ranch jobs. He was always so kind and could take a year off and be trusted to ride off just like he did when you put him up last fall. That is what earned his keep around here for so long. Dad could always trust him. He is a little different traveler and could remind you of a horse that is a little stiff. But he hasn't changed for a lot of years, and it doesn't affect his usability for a trail riding type of horse. He isn't an athlete that your going to go make a performance horse out of. But absolutely safe and pleasant to use outside. You can throw your kid on Gonzo first thing in the spring and never question if they are safe or not! 208-351-3377

This mare is in Kilgore at the time of putting catalog together so I will have to go without a picture. But she is a proven Race Mare with a **SI of 106**. Her sire, *Dooley Authorized* is a son of *Beduino* and has a SI of 103. And her dam, *Real Easy Celadon* has a SI of 102. So lots of running pedigree in this good mare.

She has been checked in foal to *One Famous Frenchman* for a 2019 baby. This should be a pretty exciting cross with lots of potential!!!

This gelding is very solid broke for about anybody. "Tex" has been rode by the whole family. When we need an extra horse on the forest Charly rides him there, and Breanna has been heeling on him at the jackpots this summer. He flat likes to rope. Doesn't matter which end either... he pins his ears and runs to cattle like it is his choice and drags his butt when the time comes. Honest and willing because he enjoys it as much as we do. Strong by the horn too. We have all branded calves on him as well. 15.1 and will weigh 1250# Always polite to catch or clip, the kids can saddle him, etc. He has been really hassle free to own. Very nice gelding! 208-221-1090

	Hickory Pistolette	Candy Corn

		Bonnisita Bar

This mare has been ridden by my girls the last several years. Breanna has used her some as a barrel horse and she is patterned on poles a little as well. She is 100% absolutely kind and gentle. Has been ridden outside a bunch and in the arena for pleasure by all levels. She is not your typical, nervous barrel horse. Maggie is too fast on the barrel pattern for Charly's stage, but aside from that she is as much a kids horse as we have owned. Very kind and willing to go anywhere they ask. All ages could use this mare and have a positive experience. Ride in any bridle, bareback, fast slow, all day or for 10 minutes. She is content with anything you ask. 208-221-1090

Hicry is a little ranch horse that we all enjoy using. He has a pretty big motor and is a phenomenal traveler. Yet he is fairly gentle too. He is alert and always paying attention, but is level headed and wants to get along. We have roped on him quite a bit branding calves, doctoring outside on the forest, and have heeled some steers in the arena too. He is cowy and is a good mover with a lot of stop. It wouldn't take much to finish him as a heel horse, we just aren't really team ropers. Stands 14.2 or 14.3 and will weigh 1050# He is polite to be around on the ground. All business and a nice all-around using horse. 208-221-1090

Seger is an 8 year old gelding that is very good looking, gentle, and useable. He has done all forms of ranching including moving cows in the mountains, branding, sorting pairs, and doctoring outside. He has been heading steers for a year and heeling for about a month. After time off he comes back the same horse. *Seger* is a very kind horse that would make a great trail riding, ranch, or rope horse.

Lot #35 War Cat 2013 Grade Sorrel Tobiano Gelding

Breanna Jenkins

War Cat is kind of a unique gelding. He sells grade. However he is out of a *High Brow Cat* daughter and is by a *Color Me Smart* stallion. His mother was sold as being open but the vet was wrong and she ended up having this colt. Then there was problems getting the old owner to cooperate in providing paperwork for the colt. So, We have a pretty cool... Grade Paint. Dan has rode him some as well but Breanna has done a big share of the work on this gelding. He has been ridden outside on the ranch and is pleasant to cover the miles or trail ride. But he has also been ridden a fair bit in the arena. He is a big stopper and can really use himself good. He has been branded on quite a bit, doctoring cattle outside, and Breanna has heeled a few steers in the arena on him too. He is cowy and has plenty of ability. *War Cat* is a very gentle horse too! Just a 5 year old, Broke good with a big future. Questions call 208-221-1090

"Skipper" is going to sell grade. The paperwork was never done on him... it still could be but doesn't make sense to do so on a ranch gelding at this age. Very nice mentality. Always willing and gentle! He has been used in the mountains a lot and is a great traveler. Picks his way through rough country well and is observant of his surroundings. Never silly or hard to get along with in any way. 15.2 and weigh 1200# Good bone and foot. We have roped the hot heels on Skipper and he takes it all in stride. He is truly a nice young gelding that has the foundation to go about any direction you want. Great to handle and an overall polite, respectful horse. 208-221-1090

This is a ranch raised gelding by our *Dash For Cash* son that we used for two seasons. He was sold as a baby and bought by the neighbor who did not pursue registering him. He will sell with no papers. But I do know without any question how he is bred and that he is 10 years old. Big sturdy made gelding that has been used on the ranch and is a nice horse to go trail ride and cover the country. Solid bone and foot. Big, pretty, gentle and solid black.

This is a big country covering horse. Broke pretty good for a young gelding and has seen a lot of use. He is pretty dang tough too. Good work ethic and an all day mentality. Steps out and travels good, has branded calves and done all the basic ranch jobs. Not going to be the best babysitter we have for an inexperienced person, but he is a real good using horse for someone that understands young horses a little. Nice looking horse with sturdy bone and foot under him. He would hold up well for a ranch needing young geldings. And the foundation is there to make a rope horse too! He is kind to be around, bath, load, gets along with the herd well, etc. 208-221-1090

"Pacman" is the cutest little buckskin horse you will ever find. He is on the smaller side but he sure doesn't know it. He has a huge heart and is 100% full of try. He has a very rare personality. Right from the beginning he was kid horse gentle. Show him something once and you will rarely have to readdress the same topic. He is unreal willing! We have done all the ranch jobs on him, branded calves, even roped a few breakaway calves, and doctored some outside. He goes anywhere you point him and tries to do it the "smart way". Charly rides him on the forest or in the arena either one and I never worry. She is a pretty confident kid but I still wouldn't turn her loose on most 5 year olds and feel this comfortable doing so. Pacman is very personable. Perfect for the customer that truly wants to have a special bond with their horse. 208-221-1090
