

Notes from October 11, 2016 meeting:

The website for project graduation is [tarponprojectgrad.com](http://tarponprojectgrad.com). You can find meeting dates, sponsors and much more. You can donate directly on the site as well.

Kathleen Skavroneck, Soila Ruiz, and Shamica Garman are co-chairing Project Graduation. Kathleen gave an overview of the committees and their responsibilities. We still need a chairperson for the Fundraising Committee, the Set Up Committee and the Clean Up Committee. If you are interested in any of these positions, please email Kathleen at [kathleenskav@aol.com](mailto:kathleenskav@aol.com).

Our monthly fundraising goal is \$5,000. Kathleen emailed a fundraising letter that you can give to potential donors. Rhonda Nash will keep track of all prospective donors. Please text Rhonda the name of the business and person you contacted so we don't duplicate efforts. Rhonda's number is 941-286-8263.

There will be a mass mailing sent to all junior and senior parents to ask for donations. The CHS front office will coordinate the mailing.

The theme for Project Graduation was voted on and Tarpons Around the World was chosen for the theme. Artwork will be created around this theme for the senior t-shirts.
