To all AD's and Field Hockey Coordinators,

CSAA Field Hockey practice/try-outs may begin on April 21<sup>st</sup>. **The attached registration form must be completed and returned to the CSAA office by April 25th.** The regular season will begin the week of May 19<sup>th</sup> and finals are scheduled for June 26<sup>th</sup>.

**WE NEED FIELDS** - The shorter season with the same amount of games was recommended by the majority of coaches and participants in our field hockey programs. In order for this to be successful and possible, we need facilities for our 8<sup>th</sup> and 6<sup>th</sup> grade leagues. The 8<sup>th</sup> and 6<sup>th</sup> grade field size is 100 yards long and 60 yards wide (100x60). These fields must be no smaller than 90 yards long by 40 yards wide (90x40). If your parish is interested in hosting Field Hockey on any days of the week or weekends, please include this information on the registration form.

Any parish dropping a team will be responsible for the full franchise fee. Dropping teams causes schedules to be re-worked and greatly delays the game schedules being published on the web site and being available to coaches, parents and field managers. Please be pro active to ensure you have enough girls for the teams you enter in CSAA leagues. Always contact the CSAA office ASAP if you need to find a school to partner with for the season.

Franchise fees in 2014 for our 8<sup>th</sup> and 6<sup>th</sup> grade divisions will be \$325.00 per team. The fee for our 4<sup>th</sup> grade division is \$250.00 per team.

A mandatory meeting for all Field Hockey coordinators and any interested coaches will take place on Monday, **May 12<sup>th</sup>** at 5:30 at the CSAA office located at 1949 Goldsmith Lane, unit 101.

Sincerely,

Robin Schmidt,  
CSAA Field Hockey Director

Rick Arnold,  
CSAA Executive Director
