Word List Homework (HW)

Bonjour, mes amis et merci beaucoup pour toutes les photos!! As you know, the Grade 5 Intensive French class has been busy exploring and communicating about past and present personal experiences, family members and even making apple sauce. **To foster your child's literacy skills, Word List HW will be assigned, at least twice a month, to help practice sentence structure, spelling, punctuation and reading skills. When Word List HW is assigned, your child is asked to rewrite at least 4 sentences from their *Cahier de français* that the teacher has corrected. These sentences are to be rewritten in your child's agenda, under the section Word List and to be handed in by the end of the assigned week.** This activity is designed to reinforce and assist your child with future oral, reading and writing activities. Please encourage your child to share their word list with you and encourage them to frequently read their word list sentences over, in order to help nurture the oral, reading and writing processes. If you have any questions regarding the Word List HW or any other matter, please do not hesitate to contact me.

Sincerely,

Mme Cosavecchia
