

Summer At Last! Letter From The President

Now that summer is upon us, families all around are starting to emerge from their winter bungalows in search of things to do. If you are among those in search for a time shared family activities, here are a few idea's.

Coming up on June 18th, Port Allegheny will be holding their 200th bicentennial. Our Club will be demonstrating our engines and implements. So spark up those engines, dust off your implements and join us. We will also be looking for some help with baked goods to sell. If you would like to have your baked goods enjoyed by all of Port Allegheny, please drop off all baked goods to our both located on the lot between the new bridge and the Kwik Fill on Rt. 6 by 10 am. Happy Summer everyone!
