

Janet's Wish

Janet's wish helps provide special requests or wishes to hospice patients and caregivers to enhance their quality of life.

This new fund has been established within the Mercy Health Foundation. It benefits Mercy Hospice-Lebanon patients who reside in Laclede or Pulaski counties.

In the words of Janet's Wish recipients:

"That is so sweet, for someone else's family to think of me." said a hospice patient after receiving magazines, crossword puzzles and a bouquet of flowers.

"This gives me a chance to relax and get a break," says a caregiver after receiving a manicure.

"What a really thoughtful thing to do," says another.
