

The Pennies from Heaven Fund helps to ease financial hardships for parents so that they can stay with their children in the hospital. Whether it's assistance with transportation, food, sibling care, overnight bags, or other expenses, the Pennies from Heaven fund was established to keep families together when they need it most.

The Pennies from Heaven Fund is about families helping families. We help because we can and the Fund relies exclusively on the generosity of donors. All donations go directly to families in need and there are NO overhead or administrative expenses. This may be evident from our no-frills website but please do not let our lack of expensive technology detract from understanding what we do. We are run entirely by volunteers and all money collected is distributed to needy families with the able assistance of the wonderful social workers at Childrens' Hospital of Pittsburgh. We hope for your financial and volunteer support.

Harper's Heroes is a fund started by Matt and Karie Donatelli in honor of their daughter, Harper Ann Donatelli. Harper was born March 1, 2013, measuring 8 pounds, 7 ounces and 20 inches long, a beautiful baby girl. She suffered a condition during birth called H.I.E. (Hypoxic Ischemic Encephalopathy), which is a condition in which the brain does not receive enough oxygen at birth. After only 4 short days of treatment and testing, Harper passed away peacefully in her parents arms on March 4, 2013. Matt and Karie wanted to start this fund to honor their first daughter and have her name live on. Their wish is that Harper will be able to help others in many ways. Harper has touched so many lives already in her few days with her family and will continue to touch many others in the years to come.
