Dear Mr. Farmer:

Thank you for your cooperation during the audit conducted at your facility on March 20, 2013 for the Qualified Suppliers List for Distributors (QSLD) for Class 2 and Class 3 Threaded Fasteners, Rivets, and Quick Release Pins. Spec Tech USA, Inc (CAGE Code: 3LRU1) complies with all of our QSL criteria and provisions. Your company's QSL status is approved for three more years (April 25, 2016).

Your renewal status is based on the aforementioned audit, quality processes and procedures, and your renewal application. Please keep in mind audits may be conducted at your facility at any time, either announced or unannounced. Qualification is always contingent upon your continual compliance with our QSL criteria and provisions. Our QSL criteria and provisions along with our applications for the different commodities listed can be found on our website at <http://www.troopsupport.dla.mil/hardware/technical/qs1.asp>.

If you have any questions, I can be reached by telephone at (215) 737-9020 or via e-mail: [alonzo.miller@dlamil](mailto:alonzo.miller@dlamil).

Sincerely,
