

The Motivated Tenant (1 page)

- All we need is the one page **Landlord / Property Manager Enrollment Agreement** with a voided check. If a Landlord / Property Manger has already enrolled clients with us in the past, we do not need the bank information or a second voided check. If you wish to change your bank information at any time re-submit this form with the new bank account information and a voided check.
- If this is your first enrollment, we need the originally signed form mailed to us. Future enrollments, can be faxed, scanned mailed or emailed to us.
