Dear Sir or Madam,

Please find attached an application for Milliken Co-op and some relevant information about the Co-op. Please read the information thoroughly, fill in the application and return it to us with all the appropriate documentation and a \$15.00 application fee per adult up to a maximum of \$30.00. The application process is as follows:

1. When we receive your application and application fee, we will do a credit check and landlord reference. If both of these meet our criteria for membership, we will call you to an interview with our membership committee.
2. After you have been approved to our waiting list, when a unit comes available we will call you to view it and if you are interested, we will offer you the unit.

Please note that there is NO SUBSIDY. If you think that you may require subsidy now or sometime in the future, you are encouraged to apply for housing at another co-op or choose other rental alternatives.

We appreciate your interest in Milliken Co-op and look forward to receipt of your application.

Co-operatively yours

Gráinne (Grawnya) Lowe
