

## PLAYGROUND RULES

Please review the following rules with your child often to ensure the safety of all students:

1. Stay within the fenced-in play area only.
2. Slide down sitting feet first on the sliding board. Also, only slide down; do not try to climb up.
3. Cooperate on the equipment and play yard. No pushing or shoving - remember to take turns and have patience!
4. Do not throw ground cover, please.
5. Only one child on the steering wheel platform at a time.
6. No dangerous jumping.
7. Only three children in the playhouse at a time. No slamming door or shutters.
8. Do not move any of the play yard equipment. It has been strategically placed for your child's safety.
9. No unnecessary rough-housing. We don't want any injuries!
