

# THE FRIENDS OF THE OHIO GOVERNOR'S RESIDENCE AND HERITAGE GARDEN

## Present the 2018 Friends Speaker Series:

*Explorations into history, nature, & the world around us*

Join us as we welcome Bill Hershey, reporter and co-author of *Mr. Chairman: The Life and Times of Ray C. Bliss*

Bill Hershey will offer us a look into the life of one the great party leaders in American history. Ray Bliss rebuilt the Republican Party in the 1960s through careful planning and inclusion of all views; from both sides of the aisle. — William L. Hershey has spent more than 40 years reporting on Ohio government and politics at the local, state, and national levels. He and his co-author, John C. Green, spent more than 20 years interviewing key political figures and reporters, and researching countless historical documents to weave the tale of Bliss's dynamic 50-year career. Mike Curtin, former state representative and former associate publisher of the Columbus Dispatch, will moderate the second half of the presentation.
