DeMoulin Museum Mishaps

Michelle L Haller-Leader

We are going to keep this one short so we can show you the pictures from our February meeting at the DeMoulin Museum in Greenville, IL! A big THANK YOU to Mr. John Goldsmith for such a great tour! This is a great place to learn about a prominent business in Greenville as well as history of different lodges, Greenville, etc. I urge everyone to spend a couple of hours there-you will not be disappointed! A great place for friends and families and you are guaranteed to have a ball!

The February Meeting was held at the Demoulin Museum in Greenville, IL. What fun we had while learning about this great company!

Thursday, January 22nd

17 Members, 0 New Members, 1 Visitor and 8 Adults were in attendance for the Pocahontas Dreamcatchers 4-H meeting.

Member Spotlight

Meet Brooke Maxine Smith! She is in 4th Grade at Pocahontas Grade School in Pocahontas, IL and is 10 years old. Her favorite color is green and her favorite food is baked macaroni and cheese! That sounds delicious! Brooke loves to play with animals and play volleyball, basketball and softball. She is also in Girl Scouts! In

4-H, she is our Vice President and she would really like to learn how to properly take care of pigs.

Please take the time to welcome Brooke and ask her more about herself! Knowing your fellow members is a great way to strengthen the bond of our group and work together as one! Is there a member you would like to learn more about? Then please contact your reporter, Grace Sperandio, with who you would like to see featured!

Brooke Smith

Reporters Corner

February's 4-H meeting was held at the Demoulin Museum in Greenville. There were 15 4-H members in attendance. Mr. Goldsmith, the museum curator, talked to us about how the Demoulin Company in Greenville got started. He also told us the great story about how the museum was founded. Next, we got to see and try out some of the great products that the company made. Logan was shockingly surprised, Junior had a very unique picture taken and Dalton got to ride a goat inside the museum. If you want to find out more information about what happened on our trip you really need to stop by the museum yourself and take the tour.

Keep on dreaming,
Grace Sperandio – Reporter

Online Ethics Certification is REQUIRED for 4-H Animal Projects!

All 4-H members enrolled Poultry, Beef, Dairy, Goats, Rabbits, Horses, Sheep and Swine project areas are required to complete the online Quality Assurance and Ethics Course one time in order to stay enrolled in that project area. *This rule applies to 4-H Members who exhibit live and poster exhibits!*

The certification is located online at:
