3 FINAL STEPS

1. Pray.

Through prayer, prepare your heart to respond to God's call to action. Ask Him what He would have you give towards our "Building A Brighter Future" Building Campaign.

2. Obey.

Obey the voice of God to act boldly. Our challenge is not to understand God but to Obey Him. Now is the time to put our Faith into Action.

3. Trust.

Trust God to do something miraculous in your life. Let it be something that could only be credited to His Hand. Trust Him to supply and provide. God is waiting for us to believe that He can perform that which we have committed to Him.

CAPITAL BUILDING CAMPAIGN

LETTER FROM OUR VISIONARY

Dear Faith Apostolic Ministries,

Our builder and maker is Jesus Christ. From humble beginnings God birthed out a church for his glory. Faith Apostolic Ministries began with seven founding members who, through prayer and faithful dedicated service, saw the miraculous power of God demonstrated among them. I had a visitation from the Lord five years ago in which I saw the souls of Poughkeepsie and heard a voice from heaven telling me to go and baptize them all in the name of Jesus. Since then many souls have been baptized in Jesus’ name and filled with the Holy Ghost. Many have been healed and delivered and lives have been forever changed because of this ministry. For this we give God all the glory. The victories and the triumphs we have had are far greater than all the trials and struggles we’ve gone through. Our first anniversary theme was “Hitherto hath the Lord helped us,” and the word is as true now as it was then. Every year God proves himself more and more.

Faith Apostolic Ministries, look what the Lord has done in just five years; we have come a mighty long way. It’s time for us to move in faith to the next phase of this ministry. God is getting ready to do the extraordinary among us, are you ready?

“But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.”
(1st Corinthians 2:9)

Let’s partner together in our capital building campaign under the theme: Building A Brighter Future!

OUR NEEDS

EARLY CHILDHOOD

Our church is blessed with a wonderful group of nursery and toddler children; however, our current facilities are inadequate in space and furnishings to minister effectively to our children. This hinders our expectations for this ministry.

KIDS BLITZ

Our rental facilities do not provide us with the much needed space to conduct a children’s worship service at the same time as our adult worship services.

YOUTH IGNITE/HYPHEN

Our Forward Motion Youth Ministry is hindered from expanding because we do not have adequate space and resources to serve this growing group of young people.

WELCOME CENTER

Our current facilities requires us to use space within our worship center for all Welcome Center purposes.

WORSHIP CENTER

Our current facilities are at near capacity and we are in great need of expansion to reach our anticipated new growth of families.

MULTI-PURPOSE ROOMS/HEALING CENTER

Our current facilities do not include the all important classroom settings needed for our weekly Discipleship Classes, our continuous Leadership Development Courses and our variety of Adult Educational Electives.

EVENT CENTER

Our current facilities lack a fellowship and recreational area to meet our social, recreational and conference setting needs.

ADMINISTRATION OFFICES & TEAM CENTER

Currently, we do not have an administrative office complex for our staff and team volunteers to work together and prepare for our classes and services.

BUS MINISTRY

Currently, we have one fifteen passenger van which makes it a time consuming and often impossible process to bring the children and youth to our Friday Kidz Blitz program, as well as the Sunday morning adult pick for our worship services.

MAIN ENTRANCE & PARKING LOT

Currently, we are sharing our parking lot with other organizations and users which makes it difficult to find parking spaces and prohibits our efforts to provide a warm welcome to our regular attenders and a good first impression to our guests.

OUR NEW BUILDING

OUR VISION

We are an Apostolic Church on a mission to seek and save the lost. however, our current facility is at capacity and our church is hindered in it's ability to serve our congregation and community. The Word of the Lord says "And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh..." we must make room for the harvest. At present, we lack adequate space to comfortably accomodate or expand our current ministries and our ability to launch new ministries is greatly hindered. **Building A Brighter Future** will answer these needs by:

6 Steps to Determine God's Will:

1. Begin By Praying.

Ask the Lord to help you give sacrificially, showing you how to give an amount that will stretch your faith.

2. Give It Time.

Don't rush into a decision. Often, the longer you prayerfully consider your commitment, the more ways God will show you how to give.

3. Talk About Your Commitment As A Family.

Discuss with your family ways to give. Be sure to involve your children. This is a great opportunity to teach giving and faith.

4. Study Biblical Promises And Instructions.

These passages are a good place to start:

- Proverbs 3:9-10; 11:24-25
- Matthew 6:19-20
- Luke 6:38
- I Corinthians 16:1-2
- II Corinthians 8:1-12; 9:6-12

5. Think In Specific Amounts.

Get a sense of your giving potential by asking these questions:

- Is there anything we could sell to help us give toward this project?
- What ways could we decrease our expenses in order to make a larger commitment?
- Are there ways we could increase our income in order to make a larger commitment?

6. Decide As A Family.

After discussing your family's commitment, strengthen that commitment during a time of family prayer.

10 Creative Lifestyle Adjustments

That Can Help Us Achieve Our Goal

1. Clip Coupons

Taking the time to search for deals can save \$10-\$20 per week. Ten dollars a week for 12 months is \$520.

2. Skip one meal a week as a family

At an average of \$30 per family, skipping one meal a week to devote to prayer could save \$1,560 in 12 months.

3. Give up a habit

An almond latte three times a week for 12 Months costs more than \$500.

4. Give God your income tax returns for this year.

5. Drink only water at restaurants

You could save \$5-\$10 a week or more. That's between \$250 and \$520 over the next 12 months.

6. Postpone a major purchase and commit the money to the campaign

7. Commit raises, bonuses, and overtime to the campaign for the next 36 months.

8. Cancel a Membership

If you have a membership that is not being used (Gym, Netflix, etc.), commit that monthly payment to the campaign.

9. Increase giving by \$1 each week

Start by giving one dollar the first week, then two, and so on. If you were to do this for 52 weeks, you would give \$1,459.

10. Continue a bill payment

If you pay off something like a car or a student loan, continue to "pay the bill" by redirecting those funds to the campaign.
