## FUNDING COMPLIANCE

Church Planting Catalyst: Please read and carefully explain the following questions in joint consultation with the Sending Church and the Church Planter. This is important criteria for applying for and receiving CBGC Church Planting Funds which are the fruit of the Cooperative Program (87% NAMB + 13% CBGC). Policies for distributing Church Planting Funds are established by the NAMB trustees and the CBGC Executive Board.

- 1) Congregation (Sending Church & Church Planter) is in cooperation with the local association and CBGC.  
(New congregations are encouraged to demonstrate cooperation as soon as possible during the first year of funding. The Sending Church cooperation history will be considered.)

Evaluation and Review: What is your process for regularly evaluating this Church Planting Strategy? When will the evaluation(s) occur?

## LEADERSHIP REVIEW

*I planted the seed, Apollos watered it, but God made it grow. - 1 Cor. 3:6*

Together, we are working to share the Gospel in order to plant a church. It is our expectation that this church will be a cooperating Southern Baptist Church. We seek to utilize cooperative Baptist resources to help this new church to become established.

So that all of our Church Planting Partners are aware of our Church Planting plans and needs, we submit this information. To the best of our knowledge, the information here is accurate. As the information changes, we will update this document and share it with our Church Planting Partners.
