

***God has always made it clear that His desire for my life is to minister to children. I love having the opportunity to equip volunteers, create relationships with students, and minister to parents. I am thrilled to be a part of the ever-growing children's ministry at Anderson Church of Christ.***

***In pursuit of God's call on my life, I attended Anderson University in South Carolina. I graduated with a Bachelor's Degree in Elementary Education and began teaching in the classroom right away! In 2012, I was extended the opportunity to use my experience with curriculum, students, and parents to support the children's program at the Anderson Church. This journey has blessed me.***

***My husband and I have been married for 5 years. We enjoy spending time in nature and love being with our friends and family. If you visit our church, I would love the opportunity to meet you and share about the children's program.***

***I knew from a young age that I wanted to be a teacher. I was a Sunday School teacher and camp counselor in high school. After high school, I attended CSU, Sacramento. After graduating in 2001 with a Bachelor's in Liberal Studies, I pursued my teaching credential through San Francisco State. I taught in the Elk Grove Unified School District for 5 years before moving back to Anderson. After taking some time off to stay home with my kids, I began working in the Redding School District as an Instructional Assistant.***

***I am happily married to Jeremy for the past 8 years and Mama to Julianna (13) and Mariska (6). I enjoys spending time with my family, reading, and spending time outdoors.***

***I delight in the ways of our Lord and Savior Jesus Christ! As a child of God I answered His call to serve my home Church here at Anderson Church of Christ as part of the Children's Ministry Team.***

***I have been blessed with a 17 year marriage to my best friend, Wally. Together we have two adventurous boys, Will (8) and John (7). Being a wife and mother laid the creative foundation for my passion to know God's Word and apply it to every part of my life. I use the skills the Lord has given me to volunteer as a full time children's leader at Bible Study Fellowship.***

***God has grown in me a true love and care for children and a real respect for the "heart of a mother". Through the power of the Holy Spirit abiding in me, I desire to show the love of Jesus to each child God places in my path.***
