

***God has always made it clear that His desire for my life is to minister to children. I love having the opportunity to equip volunteers, create relationships with students, and minister to parents. I am thrilled to be a part of the ever-growing children's ministry at Anderson Church of Christ.***

***In pursuit of God's call on my life, I attended Anderson University in South Carolina. I graduated with a Bachelor's Degree in Elementary Education and began teaching in the classroom right away! In 2012, I was extended the opportunity to use my experience with curriculum, students, and parents to support the children's program at the Anderson Church. This journey has blessed me.***

***My husband and I have been married for 5 years. We enjoy spending time in nature and love being with our friends and family. If you visit our church, I would love the opportunity to meet you and share about the children's program.***
