

"Be Jesus with skin on." This quote is from a friend of mine, Mike Rush, who was a youth and college minister. I believe it summarizes so much of ministry, especially children's ministry. It is an honor to work with so many people at Anderson Church of Christ that are exactly that for our children – men and women being the smile, laughter, hugs, hands and feet of Jesus. The children see Jesus through the love, joy and passion of so many wonderful teachers and volunteers in this ministry.

Alongside a passion for ministry, I have always had a passion for education and children of all ages. I graduated from York College with a BA in Education. Though I planned to be in a classroom when I graduated, I spent the following 9 years working at York College with high school and college students through my role in admissions. Currently, I am work with teachers at Kaplan Test Prep to help high school, college & adult students reach their educational and career goals. Through everything, God has blessed me with opportunities to be involved with students of all ages.

My husband and I married in 2010 and have two children, Karis and Sadie. We have been at Anderson Church of Christ since 2015. As a parent, I was amazed from the moment we arrived how embraced and loved my children were in their classes by their teachers. We love this church family and are excited to raise them here.

My prayer for my own children and all of the kids at Anderson Church of Christ is to know Jesus' love for them, grow in their love for Jesus, develop a passion to study God's Word, love others like Jesus loved, build lifelong Godly friendships & see how God is at work throughout the entire church.

I would love to meet you if you visit Anderson Church of Christ. We would love to have your children enjoy learning about & loving God alongside us.
