Channeling the Elder – with Shantam

### Channeling the Elder

There is no way to predict what will come through in any session.

Visit our VIDEOS area of [palmofhealing.com](http://palmofhealing.com) for examples.

Meanwhile, here is a brief example of questions and answers from one session:

**Questioner:** We would like to know who or what are you - that is giving these answers and information?

**Elder:** *This is the original question... for everybody.... There is no body here. There is no container other than this medium to receive from - this light and movement which has soul, which is messaging now. It is our dream to assist humankind, especially now when what you call "we" or "us" are perceived more than ever before.... We are in existence as focused light, with the ability to travel through a medium to explain and assist. We are what you call angels, or what other cultures call elders or ancients, or the originals, where everyone and everything comes from... always is and goes back to....*

**Questioner:** Have you, or any part of you, incarnated on this planet at any time?

**Elder:** *No. No divisions. There are no divisions.... A perceived division is an interpretation of the questioner's mind, but as such for inhabiting a body, it's not possible for all. Body is a particular facet of life.*

**Questioner:** Why is it that some of us have to keep coming back here over and over again ... we've had 100,000,000,000's of lifetimes – why this continuous loop?

**Elder:** *There is no loop. The yearning of the one for oneness is expressed constantly everywhere, not just on this earth but everywhere. There is no loop, there is only expansion and awakening....*
