Areas of interest related to Arrowhead Gun Club. (Circle one or more areas)

Skeet Rifle Pistol Musket Archery Other

Briefly list any qualifications you may have that could help us with our programs [i.e. Instructor, cook, handyman, etc.]

A few people with a desire to have a place to enjoy fellowship and enjoy the sport of shooting skeet, rifle, pistol and other activities founded the Arrowhead Gun Club in 1972. We have grown from a small one room, two skeet field club to a 10,000 square foot clubhouse, complete with a commercial kitchen and a fireplace unmatched by few. We have 13 of the finest skeet fields anywhere, one trap field, a 200-yard rifle range, a 100-yard pistol range and a 20-station 3-D archery course. There are camping hookups for approximately 40 campers. Our members constructed the activity areas and much of the clubhouse.

Arrowhead Gun Club is dependent upon its members to volunteer so we can maintain and improve our beautiful facility. **Remember, membership includes participation in club shoots, events, and activities.** Dues should be paid by May 1st each year. To remain a member you must pay your annual dues on time. Dues are \$150.00 the first year and \$100 each year after.
