Why New Educare Institute of Healthcare for Pharmacy Technician program?

The Pharmacy Technician Program at New Educare Institute of Healthcare is offered to prepare students for employment in this growing healthcare occupation. According to the Bureau of Labor Statistics, the occupation of Pharmacy Technician is expected to grow 32 percent from 2010 to 2020. As a Pharmacy Technician, you will assist licensed pharmacists providing medication and other health care products to patients.

Why Choose Pharmacy Technician Program?

Pharmacy Technician career can be found on the U.S. Department of Labor's "Bright Outlook" occupations. With your Pharmacy Technician program completion in hand, you will feel confident working in retail pharmacies, hospital pharmacies or any pharmacy within a medical facility. Pharmacy Technician Program offered by New Educare Institute of Healthcare is approved by New Jersey State Department of Education and Labor and Workforce Development. The program is also recognized by leading National Certification Associations. New Educare Institute of Healthcare is an Approved and Recognized Career School in the State of New Jersey.
