The Hymn of  
I o t a P h i T h e t a

**Verse 1:**

Iota Phi Theta  
Our star o'er land and sea  
Thy spirit, is ever near  
To bind us faithfully

Iota Phi Theta  
We pledge from whence we came  
To always be Iota Men  
And glory in thy name

**Bridge:**

O Hear us, Iota  
We're men of thy fold  
Who never shall dismay  
Whenever, we're needed, to champion thy cause  
With Reverence, we answer, this way

**Verse 2:**

Iota Phi Theta  
To Thee our hearts we bring  
In token of lasting love  
To thee we proudly sing

Iota Phi Theta  
We vow eternally  
To wear they shield of Brotherhood  
For all the world to see
