Cead mile failte! (A hundred thousand welcomes),

Our Dixon Scottish Cultural Association is preparing for its annual Scottish festival and we need your support. Founded in 2000, we are a non-profit, 501-c-3 community organization dedicated to promoting the culture, entertainment and education of Scotland.

Portions of our Dixon Scottish Games profits have been pledged to encourage local youth to get involved in Scottish culture. We have made donations that enabled young future bagpipers, Scottish Highland dancers and Scottish sport athletes to take classes to advance their skills.

We also support the youth of Dixon. Our donations have been made to American Legion youth programs, Dixon Future Farmers of America and Boy Scout Troop 152.

We would appreciate your financial support to help host our Dixon Scottish Games.
