

A major CSR project was coordinated by the Marble Falls/Lake LBJ Chamber of Commerce & 33rd & 424th Judicial District Intermediate Sanction Facility from October 20 to November 22, 2015.

This is the 24th year that the Marble Falls/Lake LBJ Chamber of Commerce with the help of the ISF and numerous other volunteers has transformed the North Shore of Lake Marble Falls into a Christmas wonderland of more than 2 million lights.

We had over 30 crews between October 20 to November 22, 2015 that went and set up sculptures and displays for the Marble Falls Walkway of Lights. The process starts with the displays being taken out of storage, checked and repaired. The Displays are then taken to the Walkway site and arranged by the ISF Residents under the guidance of the Marble Falls/Lake LBJ Chamber of Commerce into the beautiful experience that awaits the visitors every November and December.

This is a great event for the community and brings everyone together during the holiday seasons.
